

XPO Logistics Named a Leader in the Gartner Magic Quadrant for Third-Party Logistics Providers in North America

June 7, 2017

GREENWICH, Conn. - June 7, 2017- XPO Logistics, Inc. (NYSE: XPO), a top ten global provider of transportation and logistics solutions, today announced that Gartner, Inc. has named the company a leader in its May 2017 Magic Quadrant for Third-Party Logistics, North America.

Ashfaq Chowdhury, XPO Logistics president, supply chain-Americas and Asia Pacific, said, "We believe that our positioning in the leaders quadrant is a direct reflection of the strong partnerships we build. We constantly look to innovate, and we're willing to invest with customers to create best-in-class solutions that combine technology leadership with superior execution. We view the Gartner report as an affirmation of the work we do every day to deliver the results that matter to our customers."

According to the report, "Leaders rate well on the highly weighted criteria for both Ability to Execute and Completeness of Vision. These strong performing and full-service 3PL providers offer a broader portfolio of logistics functions and typically value-added services that span the end-to-end supply chain and have specific industry variations that customers can leverage. They understand North American logistics market drivers, regional nuances and customer needs, and translate that understanding into service offerings that are locally fit for purpose and supported by the use of leading technologies. Leaders have well-structured strategies and business models that support the continued expansion of their regional capabilities and services coverage. Leaders are trusted and relied on by customers to help them achieve top logistics performance within the U.S., Canada and Mexico."
