

XPO Logistics Named an Inbound Logistics Green 75 Supply Chain Partner

July 12, 2017

GREENWICH, Conn. - July 12, 2017 - XPO Logistics (NYSE: XPO), a leading global provider of supply chain solutions, has been named an *Inbound Logistics* Green 75 Supply Chain Partner for 2017. The annual recognition is given to transportation and logistics companies that demonstrate a strong commitment to sustainability in the form of energy efficiency and emissions control.

Troy Cooper, chief operating officer of XPO Logistics, said, "Sustainability programs are an integral part of how we operate today and how we think about tomorrow. We're using innovation to deliver measurable value for customers and help them meet their own green objectives as environmentally conscious operators."

According to *Inbound Logistics*, Green 75 Supply Chain Partners represent the industry's sustainable supply chain visionaries on "the cutting edge of green." Now in its 10th year, the annual list is developed based on submissions from hundreds of companies, using four criteria: measurable green results, sustainability innovation, continuous improvement and industry recognition.

About XPO Logistics

XPO Logistics (NYSE: XPO) is a top ten global logistics provider of cutting-edge supply chain solutions to the most successful companies in the world. The company operates as a highly integrated network of people, technology and physical assets in 34 countries, with over 89,000 employees and 1,431 locations.
