

XPO Logistics Wins Ford World Excellence Award

June 11, 2019

GREENWICH, Conn.- June 11, 2019-XPO Logistics, Inc. (NYSE: XPO), a leading global provider of transportation and logistics solutions, was named a Ford World Excellence award winner for innovations that its Managed Transportation group implemented in Ford's North American expedite network.

Each year, Ford honors top-performing partners for achieving the highest levels of excellence in quality, cost, performance and delivery.

XPO worked closely with Ford to develop new approaches for optimizing expedited shipments from Ford's suppliers to its manufacturing plants. XPO created fresh network improvements that boost the reliability of the expedite shipments.

"It's a true collaboration with Ford," said Troy Cooper, president of XPO Logistics. "We work closely together with Ford to meet their unique demands to drive cost-effective dependability."

"Ford's annual World Excellence Awards recognize our top-performing suppliers for their contributions to our success," said Hau Thai-Tang, Ford chief product development and purchasing officer. "Suppliers like XPO play an instrumental role in helping us achieve our vision of being the most trusted mobility company."

The Ford honorees were recognized for achieving the highest levels of global excellence in 10 areas, including:

- Quality, sustainability, safe and smart categories for suppliers that demonstrate leadership in Ford's primary brand pillars
- Special recognition for suppliers that delivered results exceeding expectations
- Honoring those that excel in integrating diversity into their organization
- Gold and silver for supplier manufacturing sites demonstrating superior quality, delivery and cost performance throughout the year
