

XPO Logistics Transports 3,000 Pairs of New Shoes to Nashville for Soles4Souls

October 13, 2020

GREENWICH, Conn., Oct. 13, 2020 (GLOBE NEWSWIRE) -- [XPO Logistics, Inc.](#) (NYSE: XPO), a leading global provider of supply chain solutions, will donate the trucking of 3,000 pairs of new shoes from Alabama to Tennessee to support [Soles4Souls](#), a nonprofit organization dedicated to disrupting the cycle of poverty and providing relief. XPO will bring the shoes from a Soles4Souls warehouse in Wadley, Alabama, to Nashville, where they will be distributed to children in need.

This is the second donation XPO has made to Soles4Souls. In May, the company committed to transporting more than 100,000 pairs of new shoes around the globe, providing multinational logistics services free of charge. XPO shipped the shoes in ocean containers from China to Soles4Souls distribution hubs in the US, Canada and the Netherlands.

"This time, our [truck brokerage team](#) has taken the lead in helping Soles4Souls reach children living below the poverty line in the US," said LaQuenta Jacobs, XPO's chief diversity officer. "Soles4Souls is restoring dignity for the most vulnerable members of our society, while fostering entrepreneurship and protecting our planet. The need is particularly great this year."

Soles4Souls was founded in 2006 on the premise that something as simple as a pair of new shoes can make an enormous difference in sustainability, health and opportunity. To date, Soles4Souls has distributed over 50 million pairs of shoes and articles of clothing through direct donation and micro-enterprises launched with the organization's support.
