About XPO Logistics, Inc.

XPO Logistics, Inc. (NYSE: XPO) facilitates more than 31,000 deliveries a day as one of the fastest growing providers of transportation logistics services in North America. XPO is the fourth largest freight brokerage firm, the third largest provider of intermodal services, the largest provider of last mile logistics for heavy goods, the largest manager of expedited shipments, and the leading provider of highly engineered, technology-enabled contract logistics. Additionally, the company has growing positions in managed transportation, global freight forwarding and less-than-truckload brokerage.

XPO has 203 locations and approximately 10,400 employees. Its three business segments - freight brokerage, expedited transportation and freight forwarding - utilize relationships with ground, rail, sea and air carriers to serve over 14,000 customers in the manufacturing, industrial, retail, commercial, life sciences and governmental sectors. The company has more than 3,600 trucks under contract to its drayage, expedited and last mile subsidiaries, and has access to additional capacity through its relationships with over 27,000 other carriers.
