Dear Fellow Stockholders:

On behalf of the Board of Directors of XPO Logistics, Inc., a Delaware corporation (“XPO”, the “Company”, “we”, “us” or “our”), we invite you to join us at a special meeting of stockholders of the Company, which will be held on _____, 2015, at _____, local time at our headquarters located at Five Greenwich Office Park, Greenwich, Connecticut 06831.

On May 29, 2015, we entered into fifteen separate Investment Agreements (the “Investment Agreements”) with sovereign wealth funds and institutional investors (which we refer to collectively as the “Purchasers”). On June 3, 2015, pursuant to the Investment Agreements, we completed the private placement of 15,499,445 shares (the “Purchased Common Shares”) in the aggregate of our common stock at a price per Purchased Common Share of \$45.00 and 562,525 shares (the “Purchased Preferred Stock” and, together with the Purchased Common Shares, the “Purchased Securities”) in the aggregate of Series C Convertible Perpetual Preferred Stock of the Company (“Series C Preferred Stock”) at a price per share of Purchased Preferred Stock of \$1,000.00. The aggregate purchase price for the Purchased Securities was \$1,260,000,025.

Our common stock is listed on the New York Stock Exchange (which we refer to as the NYSE) and, as a result, we are subject to certain NYSE listing rules and regulations. Section 312.03 (“NYSE Rule 312”) of the NYSE Listed Company Manual requires shareholder approval prior to any issuance or sale of common stock, or securities convertible into or exercisable for common stock, in any transaction or series of transactions if the number of shares of common stock issued or issuable upon conversion equals or exceeds 20% of the number of shares of common stock outstanding prior to the issuance or if the number of votes entitled to be cast by such shares of common stock equals or exceeds 20% of the voting power outstanding prior to the issuance. Because the aggregate of (i) the number of Purchased Common Shares and (ii) the number of shares of our common stock into which the Purchased Preferred Stock will convert exceeds the 20% threshold in NYSE Rule 312, the common stock issuable upon conversion of the Purchased Preferred Stock requires the approval of XPO stockholders. As a result, the conversion of the Purchased Preferred Stock is conditioned on, and will occur automatically upon, the approval by XPO stockholders of the issuance of such shares under NYSE Rule 312.

At the special meeting, in accordance with NYSE Rule 312, you will be asked to consider and vote on a proposal to approve the issuance of shares of our common stock upon the conversion of the Purchased Preferred Stock, which, together with the issuance of Purchased Common Shares, will constitute an issuance of securities in a related series of transactions in excess of 20% of our outstanding common stock prior to the issuance of the Purchased Common Shares (the “Issuance Proposal”). **Our Board of Directors believes that the Issuance Proposal is in the best interests of the Company and its stockholders and, therefore, recommends that you vote “FOR” the Issuance Proposal.**

In addition, at the special meeting, in accordance with the Delaware General Corporation Law, you will be asked to consider and vote on a proposal to approve an amendment to our amended and restated certificate of incorporation, as amended, to increase the number of authorized shares of our common stock to 300,000,000 (the “Authorized Shares Proposal”). **Our Board of Directors believes that the Authorized Shares Proposal is in the best interests of the Company and its stockholders and, therefore, recommends that you vote “FOR” the Authorized Shares Proposal.**

The proxy statement attached to this letter provides you with information about the Issuance Proposal, the Authorized Shares Proposal and the special meeting of the Company’s stockholders. We encourage you to read the entire proxy statement carefully. You may also obtain more information about the Company from documents we have filed with the U.S. Securities and Exchange Commission. See “Where You Can Find Additional Information” in the accompanying proxy statement.

Regardless of the number of shares of our common stock you own (including those that you would own if your shares of our Series A Convertible Perpetual Preferred Stock (“Series A Preferred Stock”) had converted into shares of our common stock as of July 13, 2015, the record date for the special meeting), your vote is important. Whether or not you plan to attend the special meeting, please take the time to submit a proxy by following the instructions on your proxy card as soon as possible. You may do so by completing, signing, dating and returning the enclosed proxy card by mail, or you may submit your proxy by telephone or electronically through the Internet, as further described on the proxy card. If your shares of common stock (including those that you would own if your shares of our Series A Preferred Stock had converted into shares of our common stock as of July 13, 2015, the record date for the special meeting) are held in an account at a broker, dealer, commercial bank, trust company or other nominee, you should instruct such broker or other nominee how to vote in accordance with the voting instruction form furnished by such broker or other nominee.

Voting by proxy will not prevent you from voting your shares in person if you subsequently choose to attend the special meeting.

Thank you for your cooperation and continued support.

Sincerely,
Bradley S. Jacobs
Chairman of the Board and Chief Executive Officer

**NOTICE OF SPECIAL MEETING OF STOCKHOLDERS
To Be Held on _____, 2015**

To the Stockholders of XPO Logistics, Inc.:

Notice is hereby given that a special meeting of stockholders of XPO Logistics, Inc. will be held on _____, 2015 at _____, local time, at our headquarters located at Five Greenwich Office Park, Greenwich, Connecticut 06831:

1. To consider and vote on a proposal to approve, as required pursuant to Section 312 of the New York Stock Exchange Listed Company Manual, the issuance of our common stock upon the conversion of our outstanding Series C Convertible Perpetual Preferred Stock (the "Issuance Proposal");
2. To consider and vote on a proposal to approve, as required pursuant to the Delaware General Corporation Law, an amendment to our amended and restated certificate of incorporation, as previously amended (the "Company Certificate"), increasing the number of authorized shares of our common stock, \$0.001 per share par value, from 150,000,000 to 300,000,000 (the "Authorized Shares Proposal");
3. To consider and vote on a proposal to adjourn or postpone the special meeting, if necessary, to solicit additional proxies (the "Adjournment Proposal" and together with the Issuance Proposal, the "Proposals"); and
4. To transact such other business as may properly come before the special meeting and any adjournments or postponements thereof.

The Company's Board of Directors recommends that stockholders vote "FOR" each of the Issuance Proposal, the Authorized Shares Proposal and the Adjournment Proposal.

Only stockholders of record of our common stock and our Series A Convertible Perpetual Preferred Stock (the "Series A Preferred Stock") as of the close of business on July 13, 2015, the "Record Date," are entitled to receive notice of, and to vote at, the special meeting and at any adjournment or postponement of the special meeting.

The approval of the Issuance Proposal requires the affirmative vote of a majority of the shares of our common stock (including those that would be issued if all of our outstanding Series A Preferred Stock had converted into shares of our common stock as of the Record Date) voting thereon at a meeting at which a quorum is present. The approval of the Authorized Shares Proposal requires the affirmative vote of a majority of all our outstanding shares of common stock (including those that would be issued if all of our outstanding Series A Preferred Stock

[Table of Contents](#)

had been converted into shares of our common stock as of the Record Date) entitled to vote as of the Record Date at a meeting at which a quorum is present. The approval of the Adjournment Proposal requires the affirmative vote of a majority of the shares of our common stock (including those that would be issued if all of our outstanding Series A Preferred Stock had converted into shares of our common stock as of the Record Date) present and entitled to vote at the special meeting, whether or not a quorum is present.

Please note that, if you plan to attend the special meeting in person, you will need to register in advance and receive an admission card to be admitted. Please follow the instructions on page 4 of the proxy statement.

Even if you plan to attend the special meeting in person, we request that you submit a proxy by following the instructions on your proxy card as soon as possible and thus ensure that your shares will be represented at the special meeting if you are unable to attend. Please do so by completing, signing, dating and returning the enclosed proxy card by mail, or you may submit your proxy by telephone or electronically through the Internet, as further described on the proxy card. If you sign, date and return your proxy card without indicating how you wish to vote, your vote will be counted as a vote “FOR” the Issuance Proposal and the Authorized Shares Proposal (and, if necessary and appropriate, the Adjournment Proposal). If your shares are held in an account at a broker, dealer, commercial bank, trust company or other nominee, you should instruct such broker or other nominee how to vote in accordance with the voting instruction form furnished by such broker or other nominee.

Whether you attend the special meeting or not, you may revoke a proxy at any time before your proxy is voted at the special meeting. You may do so by properly delivering a later-dated proxy either by mail, the Internet or telephone or by attending the special meeting in person and voting. You also may revoke your proxy by delivering a notice of revocation to the Company (Attention: Secretary, XPO Logistics, Inc., Five Greenwich Office Park, Greenwich, Connecticut 06831) prior to the vote at the special meeting. If you hold your shares through a broker, dealer, commercial bank, trust company or other nominee, you should follow the instructions of such broker or other nominee regarding revocation of proxies. Furthermore, voting by proxy will not prevent you from voting your shares in person if you subsequently choose to attend the special meeting.

Your vote is important. Whether or not you plan to attend the special meeting in person, it is important that your shares be represented. We ask that you vote your shares as soon as possible.

By Order of the Board of Directors,
Gordon E. Devens

SUMMARY VOTING INSTRUCTIONS

Ensure that your shares of our common stock and our Series A Preferred Stock, on an as-converted basis, can be voted at the special meeting by submitting your proxy or contacting your broker, dealer, commercial bank, trust company or other nominee.

Registered Stockholders. If you are a registered stockholder (i.e., you hold your shares in your own name through our transfer agent, Computershare Trust Company, N.A.), you may vote by proxy via the Internet, by telephone, or by mail by following the instructions provided on the proxy card. Stockholders of record who attend the special meeting may vote in person by obtaining a ballot from the inspector of elections.

Beneficial Owners. If you are a beneficial owner of shares (i.e., your shares are held in the name of a brokerage firm, bank or a trustee), you may vote by proxy by following the instructions provided in the vote instruction form or other materials provided to you by the brokerage firm, bank, or other nominee that holds your shares. To vote in person at the special meeting, you must obtain a legal proxy from the brokerage firm, bank or other nominee that holds your shares.

Because the Authorized Shares Proposal requires the affirmative vote of a majority of the shares of Company common stock (including those that would be issued if all of our outstanding Series A Preferred Stock had been converted into shares of our common stock as of the Record Date) entitled to vote as of the Record Date, the failure to vote will have the same effect as a vote against the Authorized Shares Proposal. **If you sign, date and return your proxy card without indicating how you wish to vote, your vote will be counted as a vote “FOR” the Issuance Proposal, the Authorized Shares Proposal and, if necessary and appropriate, the Adjournment Proposal.**

For additional questions regarding the Issuance Proposal or the Authorized Shares Proposal, assistance in submitting proxies or voting shares of our common stock (including those you would own if all of your outstanding Series A Preferred Stock had converted into shares of our common stock as of the Record Date), or to request additional copies of the proxy statement or the enclosed proxy card, please contact the proxy solicitation agent, Innisfree M&A Incorporated, by mail at 501 Madison Avenue, 20th Floor, New York, New York 10022 or by telephone toll-free at 888-750-5834. If your shares are held in an account at a broker, dealer, commercial bank, trust company or other nominee, you should also call such broker or other nominee for additional information. Such broker or other nominee may contact Innisfree M&A Incorporated by telephone at 212-750-5833.

PROXY STATEMENT

This proxy statement sets forth information relating to the solicitation of proxies by the Board of Directors of XPO Logistics, Inc. (the “Company”) in connection with our Company’s special meeting or any adjournment or postponement of the special meeting. This proxy statement is being furnished by our Board of Directors for use at the special meeting of Stockholders to be held at our headquarters located at Five Greenwich Office Park, Greenwich, Connecticut 06831, on _____, 2015 at _____ a.m. local time. This proxy statement and form of proxy are first being mailed to stockholders on or about _____, 2015, to our stockholders of record as of the close of business on July 13, 2015 (the “Record Date”).

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE PROPOSALS

The following questions and answers address briefly some questions you may have regarding the special meeting and the Proposals. These questions and answers may not address all questions that may be important to you as a stockholder of the Company. Please refer to the more detailed information contained elsewhere in this proxy statement.

Q: Why did I receive these proxy materials?

A: We are providing these proxy materials in connection with the solicitation by our Board of Directors of proxies to be voted at the special meeting in connection with the issuance of 12,500,546 shares of our common stock upon the conversion of 562,525 shares of our Series C Convertible Perpetual Preferred Stock of the Company (we refer generally to such preferred stock as the “Series C Preferred Stock” and to such specific shares of Series C Preferred Stock as the “Purchased Preferred Stock”). The Purchased Preferred Stock was issued, together with 15,499,445 shares of our common stock (the “Purchased Common Shares”) pursuant to fifteen separate Investment Agreements, each dated May 29, 2015 (the “Investment Agreements”), with sovereign wealth funds and institutional investors (which we refer to collectively as the “Purchasers”) including Public Sector Pension Investment Board, an affiliate of GIC (Singapore’s sovereign wealth fund) and Ontario Teachers’ Pension Plan Board.

Our common stock is listed on the New York Stock Exchange (the “NYSE”), and we are subject to the rules set forth in the NYSE Listed Company Manual (the “NYSE Rules”). Section 312 of the NYSE Rules (“NYSE Rule 312”) requires shareholder approval prior to any issuance or sale of common stock, or securities convertible into or exercisable for common stock, in any transaction or series of transactions if the number of shares of common stock issued or issuable upon conversion equals or exceeds 20% of the number of shares of common stock outstanding prior to the issuance or if the number of votes entitled to be cast by such shares of common stock equals or exceeds 20% of the voting power outstanding prior to the issuance.

Because the aggregate of (i) the number of Purchased Common Shares and (ii) the number of shares of our common stock into which the Purchased Preferred Stock will convert exceeds the 20% threshold in NYSE Rule 312, XPO stockholders are being asked to approve the issuance of the common stock upon conversion of the Purchased Preferred Stock.

In addition, we are providing these proxy materials in connection with the solicitation by our Board of Directors of proxies to be voted at the special meeting in connection with a proposed amendment to the Company Certificate to increase the number of authorized shares of our common stock to 300,000,000 shares.

Q: What items of business will be voted on at the special meeting?

A: The business expected to be voted on at the special meeting is considering approval of the following proposals:

- To consider and vote on a proposal to approve, as required pursuant to NYSE Rule 312, the issuance of our common stock upon conversion of our outstanding Series C Preferred Stock (the “Issuance Proposal”);

Table of Contents

- To consider and vote on a proposal to approve, as required pursuant to the Delaware General Corporation Law, an amendment to the Company Certificate increasing the number of authorized shares of our common stock, \$0.001 per share par value, from 150,000,000 to 300,000,000 (the “Authorized Shares Proposal”);
- To consider and vote on a proposal to adjourn or postpone the special meeting, if necessary, to solicit additional proxies (the “Adjournment Proposal” and together with the Issuance Proposal and the Authorized Shares Proposal, the “Proposals”); and
- To consider and transact such other business as may properly come before the special meeting and any adjournments or postponements thereof.

Q: Where and when is the special meeting?

A: The special meeting will be held at our headquarters located at Five Greenwich Office, Park Greenwich, Connecticut 06831, on _____, 2015 at a.m. local time.

Q: Who can attend and vote at the special meeting?

A: You are entitled to receive notice of and to attend and vote at the special meeting, or any postponement or adjournment thereof, if, as of the close of business on July 13, 2015 (the “Record Date”), you were a holder of record of our common stock or the Company’s Series A Convertible Perpetual Preferred Stock (the “Series A Preferred Stock”).

Excluding the Purchased Common Shares, as of the Record Date, there were issued and outstanding _____ shares of our common stock, each of which is entitled to one vote on each matter to come before the special meeting. In addition, as of the Record Date there were issued and outstanding _____ shares of Series A Preferred Stock. Each share of Series A Preferred Stock is entitled to vote together with our common stock on each matter to come before the special meeting as if the share of Series A Preferred Stock were converted into shares of our common stock as of the Record Date, meaning that each share of Series A Preferred Stock is entitled to approximately 143 votes on each matter to come before the special meeting. As a result, a total of _____ votes are eligible to be cast at the special meeting based on the number of outstanding shares of our common stock and Series A Preferred Stock, voting together, as a single class.

If you wish to attend the special meeting and your shares are held in an account at a broker, dealer, commercial bank, trust company or other nominee (i.e., in “street name”), you will need to bring a copy of your voting instruction card or statement reflecting your share ownership as of the Record Date. “Street name” holders who wish to vote at the special meeting will need to obtain a proxy from the broker, dealer, commercial bank, trust company or other nominee that holds their shares.

Q: Do I need a ticket to attend the special meeting?

A: Yes, you will need an admission card to enter the special meeting. You may request tickets by providing the name under which you hold shares of record or, if your shares are held in the name of a bank, broker or other holder of record, the evidence of your beneficial ownership of the shares, the number of tickets you are requesting and your contact information. You can submit your request in the following ways:

- by sending an e-mail to contact@xpo.com; or
- by calling us toll-free at (855) XPO-INFO (855-976-4636).

Stockholders also must present a form of personal photo identification in order to be admitted to the special meeting.

[Table of Contents](#)

Q: How many shares must be present to conduct business at the special meeting?

A: A quorum is necessary to hold a valid meeting of stockholders. For each of the Proposals to be presented at the special meeting, the holders of shares of our common stock or Series A Preferred Stock outstanding on the Record Date, representing _____ votes must be present at the special meeting, in person or by proxy. If you vote – including by Internet, telephone or proxy card – your shares voted will be counted towards the quorum for the special meeting. Abstentions are counted as present for the purpose of determining a quorum; broker non-votes are not counted for the purpose of determining the presence of a quorum at the special meeting as the Proposals to be considered would not be evaluated as routine by the NYSE.

Q: What are my voting choices?

A: You may vote “FOR” or “AGAINST” or you may “ABSTAIN” from voting on any Proposal to be voted on at the special meeting. Your shares will be voted as you specifically instruct. If you sign your proxy or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of our Board of Directors and in the discretion of the proxy holders on any other matters that properly come before the meeting.

Q: What vote is required to approve the Proposals?

A: The Issuance Proposal requires the affirmative vote of a majority of the shares of our common stock (including those that would be issued if all of our outstanding Series A Preferred Stock had converted into shares of our common stock as of the Record Date) voting thereon at a meeting at which a quorum is present. Under applicable NYSE Rules, abstentions are counted as shares voted with respect to such proposal, and therefore, if you return your proxy card and “ABSTAIN” from voting, it will have the same effect as a vote against the Issuance Proposal. The Authorized Shares Proposal requires the affirmative vote of a majority of all our outstanding shares of common stock (including those that would be issued if all of our outstanding Series A Preferred Stock had been converted into shares of our common stock as of the Record Date) entitled to vote as of the Record Date at a meeting at which a quorum is present. Accordingly, if you return your proxy card and “ABSTAIN” from voting, it will have the same effect as a vote against the Authorized Shares Proposal. The Adjournment Proposal requires the affirmative vote of a majority of the shares of our common stock (including those that would be issued if all of our outstanding Series A Preferred Stock had converted into shares of our common stock as of the Record Date) present and entitled to vote at the special meeting, whether or not a quorum is present.

Q: What will I receive in the Issuance Proposal?

A: You will not receive any consideration in the Issuance Proposal. Your shares of common stock and Series A Preferred Stock will remain outstanding following the approval of the Issuance Proposal and the accompanying issuance of our common stock to the Purchasers, and you will continue to participate as a stockholder by virtue of your shares of our common stock and Series A Preferred Stock.

Q: What will I receive in the Authorized Shares Proposal?

A: You will not receive any consideration in the Authorized Shares Proposal. Your shares of common stock and Series A Preferred Stock will remain outstanding following the approval of the Authorized Shares Proposal, and you will continue to participate as a stockholder by virtue of your shares of our common stock and Series A Preferred Stock.

Q: What percentage of the Company’s voting stock will the Purchasers own upon conversion of the Purchased Preferred Stock?

A: Based upon the number of shares of our common stock outstanding on the Record Date, and the number of shares of common stock issuable upon the conversion of the outstanding shares of our Series A Preferred Stock, and excluding any shares issuable upon the exercise or conversion of currently outstanding options,

[Table of Contents](#)

warrants or other convertible securities, upon conversion of the Purchased Preferred Stock, we believe that the Purchasers will hold in the aggregate approximately % of the total voting power of the Company's capital stock, including shares of our common stock owned by certain of the Purchasers prior to the purchase of the Purchased Securities.

Q: What will happen if the Issuance Proposal is not approved?

A: If the Issuance Proposal is not approved, the Purchased Preferred Stock will remain outstanding and will not convert into our common stock at this time. Under the terms of the Investment Agreements with the Purchasers, we will be obligated to submit a proposal to our stockholders to approve the issuance of common stock in respect of the conversion of the Purchased Preferred Stock at least once in every six month period beginning on October 3, 2015. In addition, commencing on and following October 3, 2015, cumulative dividends on the Series C Preferred Stock will be payable quarterly at the rate per annum of 7.5% per share on the liquidation preference of the Series C Preferred Stock.

Q: What will happen if the Authorized Shares Proposal is not approved?

A: If the Authorized Shares Proposal is not approved, the number of shares of common stock that the Company is authorized to issue will remain at 150,000,000 shares. As of July 9, 2015, 95,354,434 shares of common stock were issued and outstanding and a total of 29,027,359 shares of common stock were reserved for issuance in connection with the Series A Preferred Stock, warrants, stock options, restricted stock units and 4.50% Convertible Senior Notes. In addition, if the Issuance Proposal is approved, all of the Purchased Preferred Stock will automatically convert into 12,500,546 shares of common stock.

Q: How does the Company's Board of Directors recommend that I vote?

A: Our Board of Directors, after careful consideration, unanimously recommends that our stockholders vote **"FOR"** the approval of the Issuance Proposal, **"FOR"** the Authorized Shares Proposal and **"FOR"** the Adjournment Proposal.

Q: How will our directors and executive officers vote on the Proposals?

A: Our directors and current executive officers have informed us that, as of the date of this proxy statement, they intend to vote all of their shares of our common stock and Series A Preferred Stock in favor of the approval of each of the Proposals.

As of the Record Date, excluding any shares issuable upon the exercise of currently outstanding options and warrants, our directors and current executive officers owned, in the aggregate, shares of our common stock (including shares that would be issued if all of our outstanding Series A Preferred Stock had converted into shares of our common stock as of the Record Date), representing collectively approximately % of the votes eligible to be cast at the special meeting.

Q: What do I need to do now?

A: We urge you to read this proxy statement carefully and to consider how approving the Proposals affects you. Then just mail your completed, dated and signed proxy card in the enclosed return envelope as soon as possible so that your shares can be voted at the special meeting of our stockholders. Holders of record may also vote by telephone or the Internet by following the instructions on the proxy card.

Q: What happens if I do not respond or if I respond and fail to indicate my voting preference or if I abstain from voting?

A: If you fail to sign, date and return your proxy card or fail to vote by telephone or Internet as provided on your proxy card, your shares will not be counted towards establishing a quorum for the special meeting, which requires holders representing a majority of the outstanding shares of our common stock (including those that

[Table of Contents](#)

would be issued if all of our outstanding Series A Preferred Stock had converted into shares of our common stock as of the Record Date) to be present in person or by proxy. Failure to vote will have the same effect as a vote against the Authorized Shares Proposal, but, assuming the presence of a quorum, will have no effect on the Issuance Proposal or the Adjournment Proposal.

If you respond and do not indicate your voting preference, we will count your proxy as a vote in favor of the approval of each of the Proposals. Abstentions will have the same effect as a vote against each of the Proposals.

Q: If my shares are held in “street name” by my broker, dealer, commercial bank, trust company or other nominee, will such broker or other nominee vote my shares for me?

A: You should instruct your broker or other nominee on how to vote your shares using the instructions provided by such broker or other nominee. Absent specific voting instructions, brokers or other nominees who hold shares of Company common stock in “street name” for customers are prevented by the NYSE Rules from exercising voting discretion in respect of non-routine or contested matters. The Company expects that when the NYSE evaluates the Proposals to be voted on at the special meeting to determine whether each Proposal is a routine or non-routine matter, the Proposals would not be evaluated as routine. Shares not voted by a broker or other nominee because such broker or other nominee does not have instructions or cannot exercise discretionary voting power with respect to one or more Proposals are referred to as “broker non-votes”. Such broker non-votes may not be counted for the purpose of determining the presence of a quorum at the special meeting in the absence of a routine proposal. It is important that you instruct your broker or other nominee on how to vote your shares of Company common stock held in “street name” in accordance with the voting instructions provided by such broker or other nominee.

Q: How do I vote?

A: If you are a *registered stockholder* (i.e., you hold your shares in your own name through our transfer agent, Computershare Trust Company, N.A. and not through a broker, bank or other nominee that holds shares for your account in “street name”), you may vote by proxy via the Internet, by telephone, or by mail by following the instructions provided on the proxy card. Proxies submitted by telephone or through the Internet must be received by 11:59 P.M. New York City time on , 2015. Please see the proxy card provided to you for instructions on how to submit your proxy by telephone or the Internet. Stockholders of record who attend the special meeting may vote in person by obtaining a ballot from the inspector of elections.

If you are a *beneficial owner* of shares (i.e., your shares are held in the name of a brokerage firm, bank or a trustee), you may vote by proxy by following the instructions provided in the vote instruction form or other materials provided to you by the brokerage firm, bank, or other nominee that holds your shares. To vote in person at the special meeting, you must obtain a legal proxy from the brokerage firm, bank or other nominee that holds your shares.

Q: Can I change my vote after I have mailed my proxy card?

A: Yes. Whether you attend the special meeting or not, you may revoke a proxy at any time before your proxy is voted at the special meeting. You may do so by properly delivering a later-dated proxy either by mail, the Internet or telephone or by attending the special meeting in person and voting. Please note, however, your attendance at the special meeting will not automatically revoke any prior proxy unless you vote again at the special meeting or specifically request in writing that your prior proxy be revoked. You also may revoke your proxy by delivering a notice of revocation to the Company (Attention: Secretary, XPO Logistics, Inc., Five Greenwich Office Park, Greenwich, Connecticut 06831) prior to the vote at the special meeting. If you hold your shares through a broker, dealer, commercial bank, trust company or other nominee, you should follow the instructions of such broker or other nominee regarding revocation of proxies.

Q: Am I entitled to appraisal rights?

A: No. You will have no right under Delaware law to seek appraisal of your shares of our common stock or Series A Preferred Stock in connection with the Proposals.

Q: Where can I find the results of the voting?

A: We intend to announce preliminary voting results at the special meeting and will publish final results through a Current Report on Form 8-K to be filed with the U.S. Securities and Exchange Commission (“SEC”) within four business days after the special meeting. The Current Report on Form 8-K will be available on the Internet at our website, www.xpo.com.

Q: Who will pay for the cost of soliciting proxies?

A: We will pay for the cost of soliciting proxies. We have engaged Innisfree M&A Incorporated to assist us in soliciting proxies in connection with the special meeting, and have agreed to pay them approximately \$10,000, plus their expenses for providing such services. Our directors, officers and other employees, without additional compensation, may solicit proxies personally, in writing, by telephone, by email or otherwise. As is customary, we will reimburse brokerage firms, fiduciaries, voting trustees, and other nominees for forwarding our proxy materials to each beneficial owner of common stock or preferred stock held of record by them.

Q: What is “householding” and how does it affect me?

A: In accordance with notices to many stockholders who hold their shares through a bank, broker or other holder of record (a “street-name stockholder”) and share a single address, only one copy of this proxy statement is being delivered to that address unless contrary instructions from any stockholder at that address were received. This practice, known as “householding,” is intended to reduce our printing and postage costs. However, any such street-name stockholder residing at the same address who wishes to receive a separate copy of this proxy statement may request a copy by contacting the bank, broker or other holder of record, or by sending a written request to: Investor Relations, XPO Logistics, Inc., Five Greenwich Office Park, Greenwich, Connecticut 06831 or by contacting Investor Relations by telephone at (855) XPO-INFO (855-976-4636). The voting instruction form sent to a street-name stockholder should provide information on how to request (1) householding of future company materials or (2) separate materials if only one set of documents is being sent to a household. A stockholder who would like to make one of these requests should contact us as indicated above.

Q: Can I obtain an electronic copy of proxy material?

A: Yes, this proxy statement, the accompanying notice of special meeting and the proxy card are available on the Internet at www.edocumentview.com/xpospc.

Q: What happens if the special meeting is adjourned or postponed?

A: Although it is not expected, the special meeting may be adjourned or postponed for the purpose of soliciting additional proxies. Any adjournment or postponement may be made without notice, other than by an announcement made at the special meeting, by approval of the holders of a majority of the outstanding shares of our common stock (including those that would be issued if all of our outstanding Series A Preferred Stock had converted into shares of our common stock as of the Record Date) present in person or represented by proxy at the special meeting, whether or not a quorum exists. Any signed proxies received by the Company will be voted in favor of an adjournment or postponement in these circumstances. Any adjournment or postponement of the special meeting for the purpose of soliciting additional proxies will allow Company stockholders who have already sent in their proxies to revoke them at any time prior to their use.

Q: Who can help answer my other questions?

A: If you have more questions about the Proposals or voting, you should contact the proxy solicitation agent, Innisfree M&A Incorporated, by mail at 501 Madison Avenue, 20th Floor, New York, New York 10022 or by telephone toll-free at 888-750-5834. If your shares are held in an account at a broker, dealer, commercial bank, trust company or other nominee, you should also call such broker or other nominee for additional information. Such broker or other nominee may contact Innisfree M&A Incorporated by telephone at 212-750-5833.

ISSUANCE PROPOSAL—APPROVAL OF THE ISSUANCE OF COMPANY COMMON STOCK UPON CONVERSION OF THE SERIES C CONVERTIBLE PERPETUAL PREFERRED STOCK

General

On May 29, 2015, the Company entered into the Investment Agreements with the Purchasers. Collectively, the Investment Agreements provided for the issuance and sale by the Company of the Purchased Common Shares (15,499,445 shares of our common stock) and the Purchased Preferred Stock (562,525 shares of our Series C Preferred Stock) in a private placement exempt from the registration requirements of the U.S. Securities Act of 1933, as amended (the “Securities Act”).

Pursuant to the Investment Agreements, the Company completed this private placement transaction on June 3, 2015, and issued and sold the Purchased Common Shares at a purchase price of \$45.00 per share of Purchased Common Share (resulting in aggregate gross proceeds to the Company of approximately \$697.5 million), and the Purchased Preferred Stock at a purchase price of \$1,000.00 per share of Purchased Preferred Stock (resulting in aggregate gross proceeds to the Company of approximately \$562.5 million).

Because our common stock is listed on the NYSE, we are subject to the NYSE Rules. NYSE Rule 312 requires shareholder approval prior to any issuance or sale of common stock, or securities convertible into or exercisable for common stock, in any transaction or series of transactions if the number of shares of common stock issued or issuable upon conversion equals or exceeds 20% of the number of shares of common stock outstanding prior to the issuance or if the votes entitled to be cast by such shares of common stock equals or exceeds 20% of the voting power outstanding prior to the issuance. Because the aggregate of (i) the number of Purchased Common Shares and (ii) the number of shares of our common stock into which the Purchased Preferred Stock will convert exceeds the 20% threshold in NYSE Rule 312, the common stock issuable upon conversion of the Purchased Preferred Stock requires the approval of XPO stockholders. As a result, the conversion of the Purchased Preferred Stock is conditioned on, and will occur automatically upon, the approval by XPO stockholders of the issuance of such shares under NYSE Rule 312.

Subject to the approval of the Company’s stockholders of the Issuance Proposal, the Purchased Preferred Stock will be converted into an aggregate of 12,500,546 additional shares of our common stock.

Certificate of Designation of Series C Preferred Stock

The following description contains a summary of the material terms of Series C Preferred Stock as contained in the Certificate of Designation of the Series C Convertible Perpetual Preferred Stock (the “COD”), filed and effective June 3, 2015. We encourage you to read the COD, which is attached to this proxy statement as Annex A, in its entirety. For more information about accessing this report and the other information we file with the SEC, please see “Where You Can Find More Information” below. The Series C Preferred Stock will only remain outstanding if our stockholders fail to approve the Issuance Proposal.

Authorized Shares and Liquidation Preference

The Company designated 562,525 authorized preferred shares as “Series C Convertible Perpetual Preferred Stock”, with a par value of \$0.001 per share and an initial liquidation preference of \$1,000 per share (the “Liquidation Preference”), for an aggregate initial liquidation preference of \$562,525,000.

Ranking

The Series C Preferred Stock will rank, with respect to dividend rights and rights on liquidation, winding-up or dissolution, (i) senior to our common stock and each other class or series of capital stock outstanding or established after the date of issuance of the Series C Preferred Stock the terms of which do not expressly provide

[Table of Contents](#)

that it ranks senior to or pari passu with the Series C Preferred Stock as to dividend rights and rights on liquidation, winding-up and dissolution, (ii) pari passu with the Series A Preferred Stock and each other class or series of stock of the Company outstanding or established after the date of issuance of the Series C Preferred Stock, the terms of which expressly provide that such class or series ranks pari passu with the Series C Preferred Stock as to payment of dividends and distribution of assets upon the liquidation, winding-up or dissolution of the Company and (iii) junior to each other class or series of stock of the Company outstanding or established after the date of issuance of the Series C Preferred Stock, the terms of which expressly provide that such class or series ranks senior to the Series C Preferred Stock as to payment of dividends and distribution of assets upon the liquidation, winding-up or dissolution of the Company.

Dividends

Prior to October 3, 2015, holders of the Series C Preferred Stock will participate equally and ratably with the holders of shares of our common stock in all dividends on the shares of our common stock as if immediately prior to each record date for our common stock, shares of Series C Preferred Stock then outstanding were converted into shares of our common stock. Dividends shall be payable on the same date that such dividends are payable to holders of shares of our common stock, and no dividends shall be payable to holders of shares of our common stock unless also paid at the same time in respect of the Series C Preferred Stock.

Commencing on and following October 3, 2015, cumulative dividends on the Series C Preferred Stock will be payable quarterly, when, as and if declared by the Board of Directors or a duly authorized committee, out of the assets of the Company legally available for the payment of dividends, on the 15th calendar day (or the following business day if the 15th is not a business day) of January, April, July and October of each year (each a "Dividend Payment Date") at the rate per annum of 7.5% per share on the Liquidation Preference (subject to the following paragraph); provided that, in the event that on a Dividend Payment Date, the Company is not permitted to declare or pay such dividend or incur such liability either (x) as a matter of law or (y) under the terms of the Amended and Restated Revolving Loan Credit Agreement dated as of April 1, 2014, among the Company and certain of its subsidiaries, as borrowers, the lenders from time to time party thereto, Morgan Stanley Senior Funding, Inc., as agent, and the other parties thereto, as amended from time to time (the "Company Credit Agreement"), such dividend (a "Deferred Dividend") shall not be declared by the Board of Directors, shall not be paid or payable on such Dividend Payment Date and no liability shall be incurred in respect thereof, and instead, such Deferred Dividend shall be declared, become payable and be paid and the liability in respect thereof be incurred on the first succeeding Dividend Payment Date on which the Company is not prohibited from declaring, paying and incurring the liability in respect of such Deferred Dividend (and, for the avoidance of doubt, such Deferred Dividend shall be payable in addition to, and not in lieu of, any dividend which would ordinarily be payable on such succeeding Dividend Payment Date). The amount of dividends payable for any other period that is shorter or longer than a full quarterly dividend period will be computed on the basis of a 360-day year consisting of twelve 30-day months.

Commencing on and following October 3, 2015, in the event that dividends are paid on shares of our common stock in any dividend period with respect to the Series C Preferred Stock, then the dividend payable in respect of each share of Series C Preferred Stock for such period will be equal to the greater of (1) the amount otherwise payable in respect of such share of Series C Preferred Stock in accordance with the foregoing paragraph and (2) the product of (A) the aggregate dividends payable per share of our common stock in such dividend period times (B) the number of shares of our common stock into which such share of Series C Preferred Stock is then convertible.

A dividend period with respect to a Dividend Payment Date is the period commencing on the preceding Dividend Payment Date or, if there is no preceding Dividend Payment Date, October 3, 2015, and ending on the day immediately prior to the next Dividend Payment Date. Dividends payable on a Dividend Payment Date shall be payable to holders of record on the later of (i) the close of business on the first calendar day (or the following

[Table of Contents](#)

business day if such first calendar day is not a business day) of the calendar month in which the applicable Dividend Payment Date falls and (ii) the close of business on the day on which the Board of Directors or a duly authorized committee thereof declares the dividend payable.

The Company will make each dividend payment on the Series C Preferred Stock either (i) in cash or (ii) at the Company's option, by the issuance of additional shares of Series C Preferred Stock.

Payment Restrictions

No dividends may be declared or paid on any capital stock of the Company ranking on a parity with or junior to the Series C Preferred Stock (including our common stock), and no such capital stock may be redeemed, or repurchased by or on behalf of the Company, unless all accrued and unpaid dividends have been paid on the Series C Preferred Stock and any capital stock of the Company ranking on a parity with the Series C Preferred Stock. Notwithstanding the foregoing, if full dividends have not been paid on the Series C Preferred Stock and any parity stock, dividends may be declared and paid on the Series C Preferred Stock and such parity stock so long as the dividends are declared and paid pro rata.

Liquidation

In the event we voluntarily or involuntarily liquidate, dissolve or wind up, the holders of the Series C Preferred Stock will be entitled, before any distribution to the holders of our common stock or any other junior capital stock, and subject to the rights of our creditors, to receive an amount equal to the greater of (i) the aggregate Liquidation Preference plus an amount equal to any accrued and unpaid cumulative dividends for the then-current dividend period and (ii) the payment or distribution to which such holders would have been entitled if the Series C Preferred Stock were converted into our common stock immediately before such liquidation, dissolution or winding-up.

Voting Rights

The Series C Preferred Stock will not have any voting rights, including the right to elect any directors, except (i) voting rights, if any, required by law and (ii) voting rights in connection with (a) amending the COD if such amendment would alter the powers, preferences, privileges or rights of the holders of Series C Preferred Stock so as to affect them adversely, (b) issuing, authorizing or increasing the authorized amount of, or issuing or authorizing any obligation or security convertible into or evidencing a right to purchase, any capital stock of the Company ranking on a parity with or senior to the Series C Preferred Stock, or (c) reclassifying any authorized capital stock of the Company into any parity stock or senior stock, or any obligation or security convertible into or evidencing a right to purchase any parity stock or senior stock.

Conversion

Upon receiving Company stockholders' approval for the Issuance Proposal, the Series C Preferred Stock will mandatorily, immediately and automatically convert into the number of shares of our common stock equal to the aggregate Liquidation Preference of such shares divided by the then-applicable conversion price, which shall initially be \$45.00 per share of our common stock, for an effective initial aggregate conversion amount of 12,500,546 shares of our common stock.

The Series C Preferred Stock will only convert into shares of our common stock upon receipt of the Company stockholders' approval of the Issuance Proposal.

In addition, effective as of the close of business on the date on which stockholder approval for the Issuance Proposal is obtained, each holder of Series C Preferred Stock will be entitled to receive, at the election of the Company, either (i) cash in an amount equal to the then unpaid Deferred Dividends in respect of shares of Series

[Table of Contents](#)

C Preferred Stock held by such holder or (ii) a number of shares of our common stock equal to the amount of any then unpaid Deferred Dividends in respect of shares of Series C Preferred Stock held by such holder divided by the then-applicable conversion price, which shall initially be \$45.00 per share of our common stock.

The Series C Preferred Stock will have the benefit of customary anti-dilution adjustments.

Transfer of Securities

The Series C Preferred Stock was not, and the shares of our common stock issuable upon conversion thereof will not be, initially registered under the Securities Act and may not be offered or sold except in compliance with the registration requirements of the Securities Act and any other applicable securities laws. The above mentioned securities will have the benefit of certain registration rights under the Securities Act pursuant to customary demand registration rights and piggyback registration rights provided for in the Investment Agreements. Additionally, we have agreed to file with the SEC a shelf registration statement within 30 days of the closing of the private placement, which enables the public resale of any registrable securities.

Common Stock

The following is a description of the material terms of our common stock, as well as other material terms of our Amended and Restated Certificate of Incorporation, as amended (the "Company Certificate"), and our Second Amended and Restated Bylaws (the "Bylaws"). This description is only a summary. You should read it together with the Company Certificate and Bylaws, which are available as Exhibits 3.1 through 3.5 to our Annual Report on Form 10-K for the year ended December 31, 2014 and as Exhibit 3.1 and 3.2 to our Current Report on Form 8-K filed with the SEC on May 21, 2015. For more information about accessing this report and the other information we file with the SEC, please see "Where You Can Find More Information" below.

General

We currently have 150,000,000 authorized shares of common stock, par value \$0.001 per share, of which 95,354,434 shares were issued and outstanding as of July 9, 2015. As of July 9, 2015, (i) 10,412,143, shares of common stock were reserved for issuance in connection with the Series A Preferred Stock, (ii) 10,465,239 shares of common stock were reserved for issuance in connection with our outstanding warrants, exercisable at any time until September 2, 2021 at an initial exercise price of \$7.00 per share of common stock (subject to customary anti-dilution adjustments), (iii) 3,766,216 shares of common stock were reserved for issuance upon exercise of outstanding stock options or settlement of restricted stock units and (iv) 4,383,761 shares of common stock were reserved for issuance upon conversion of 4.50% Convertible Senior Notes. Additionally, if the Issuance Proposal is approved, the Purchased Preferred Stock will be converted into an aggregate of 12,500,546 shares of common stock.

Other than as described in this proxy statement no stockholder has any preemptive right or other similar right to purchase or subscribe for any additional securities issued by the Company, and no stockholder has any right to convert common stock into other securities. No shares of common stock are subject to redemption or any sinking fund provisions. All the outstanding shares of common stock are fully paid and non-assessable. Subject to the rights of the holders of the Series A Preferred Stock and Series C Preferred Stock, the holders of common stock are entitled to dividends when, as and if declared by our Board of Directors from funds legally available therefor and, upon liquidation, to a pro-rata share in any distribution to stockholders.

Pursuant to Delaware law and the Company Certificate, our Board of Directors by resolution may establish one or more series of preferred stock and fix the number of shares constituting such series, the designation of such series, the voting powers (if any) of the shares of such series and the preferences and relative, participating,

[Table of Contents](#)

optional or other special rights, if any, and any qualifications, limitations or restrictions thereof, of the shares of such series, such rights and preferences being senior to the rights of holders of common stock. Other than the Series A Preferred Stock and Series C Preferred Stock, no shares of Preferred Stock are currently outstanding.

Voting and Other Rights

Each share of common stock entitles the holder thereof to one vote on all matters upon which stockholders are permitted to vote. The Bylaws provide that, except in the case of contested elections, directors will be elected by a majority of votes cast at a meeting of stockholders by the stockholders entitled to vote in the election and, except as otherwise required by law, whenever any corporate action other than the election of directors is to be taken, it shall be authorized by a majority of the votes cast at a meeting of stockholders by the stockholders entitled to vote thereon.

Anti-Takeover Effects of Various Provisions of Delaware Law and the Company Certificate and Bylaws

Provisions of the Delaware General Corporation Law (the “DGCL”) could make it more difficult to acquire us by means of a tender offer, a proxy contest or otherwise, or to remove incumbent officers and directors. These provisions, summarized below, are expected to discourage types of coercive takeover practices and inadequate takeover bids and to encourage persons seeking to acquire control of us to first negotiate with us. We believe that the benefits of increased protection of our potential ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure us outweigh the disadvantages of discouraging takeover or acquisition proposals because, among other things, negotiation of these proposals could result in an improvement of their terms.

Delaware Anti-Takeover Statute. We have elected to be subject to Section 203 of the DGCL, an anti-takeover statute. In general, Section 203 prohibits a publicly-held Delaware corporation from engaging in a “business combination” with an “interested stockholder” for a period of three years following the time the person became an interested stockholder, unless (with certain exceptions) the business combination or the transaction in which the person became an interested stockholder is approved in a prescribed manner. Generally, a “business combination” includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. Generally, an “interested stockholder” is a person who, together with affiliates and associates, owns (or within three years prior to the determination of interested stockholder status did own) 15 percent or more of a corporation’s voting stock. The existence of this provision would be expected to have an anti-takeover effect with respect to transactions not approved in advance by the board of directors, including discouraging attempts that might result in a premium over the market price for the shares of common stock.

No Cumulative Voting. The DGCL provides that stockholders are denied the right to cumulate votes in the election of directors unless a corporation’s certificate of incorporation provides otherwise. The Company Certificate prohibits cumulative voting.

Limitation of Liability and Indemnification of Officers and Directors. The DGCL authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors’ fiduciary duties as directors. The Company Certificate and Bylaws include provisions that indemnify, to the fullest extent allowable under the DGCL, the personal liability of directors or officers for monetary damages for actions taken as a director or officer of the Company, or for serving at our request as a director or officer or in another position at another corporation or enterprise, as the case may be. The Company Certificate and Bylaws also provide that we must indemnify and advance expenses to our directors and officers, subject to our receipt of an undertaking from the indemnitee as may be required under the DGCL. We are also expressly authorized to carry directors’ and officers’ insurance to protect the Company and our directors, officers, employees and agents from certain liabilities.

The limitation of liability and indemnification provisions in the Company Certificate and the Bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duties. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and

[Table of Contents](#)

officers, even though such an action, if successful, might otherwise benefit us and our stockholders. We may be adversely affected to the extent that, in a class action or direct suit, we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

Authorized but Unissued Shares of Common Stock. Our authorized but unissued shares of common stock will be available for future issuance without approval by the holders of common stock. We may use additional shares for a variety of corporate purposes, including future public offerings to raise additional capital, employee benefit plans and as consideration for or to finance future acquisitions, investments or other purposes. The existence of authorized but unissued shares of common stock could render more difficult or discourage an attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise.

Undesignated Preferred Stock. Our Company Certificate and Bylaws authorize undesignated preferred stock. As a result, our Board of Directors may, without the approval of holders of common stock, issue shares of preferred stock with super voting, special approval, dividend or other rights or preferences on a discriminatory basis that could impede the success of any attempt to acquire us. These and other provisions may have the effect of deferring, delaying or discouraging hostile takeovers, or changes in control or management of the Company.

Amendments to Organizational Documents

The DGCL provides generally that the affirmative vote of a majority of the shares entitled to vote on any matter is required to amend a corporation's certificate of incorporation or bylaws.

Listing

Our common stock is listed on the NYSE under the trading symbol "XPO."

Transfer Agent and Registrar

The transfer agent and registrar for the common stock is Computershare Trust Company, N.A., whose principal executive office is located at 250 Royall Street, Canton, MA 02021.

Purpose of the Equity Issuance and Use of Proceeds

The purpose of the Issuance Proposal is to approve the issuance to the Purchasers of our common stock upon conversion of the Purchased Preferred Stock in accordance with the Investment Agreements. The proceeds from the original issuance of Purchased Securities were used, together with cash on hand and the proceeds of the Company's recent issuance of senior notes, to fund the Company's purchases of Norbert Dentressangle SA and Bridge Terminal Transport Services, Inc. and may be used for other unspecified acquisitions.

Consequences if the Issuance Proposal is Approved

In the event that Company stockholders approve the Issuance Proposal to issue shares of our common stock to the Purchasers and thereby the conversion of the Purchased Preferred Stock, all of the Purchased Preferred Stock will automatically convert into 12,500,546 shares of our common stock pursuant to the terms of the Investment Agreements and the COD, increasing the Purchasers' aggregate beneficial ownership percentage of the Company's outstanding common stock to approximately % , as compared to approximately % as of the date of this proxy statement and increasing the Purchasers' aggregate percentage of total voting power of the Company's capital stock to % as compared to approximately % as of the date of this proxy statement, based on public filings and including shares of our common stock owned by certain of the Purchasers prior to the purchase of the Purchased Securities. As a result of any such issuance, existing Company stockholders will incur dilution to their voting interests and will own a smaller percentage of our outstanding common stock.

Consequences if the Issuance Proposal is Not Approved

In the event that Company stockholders do not approve the Issuance Proposal, the Purchased Preferred Stock will remain outstanding and will not convert into our common stock at this time. Under the terms of the Investment Agreements with the Purchasers, we will be obligated to submit a proposal to our stockholders to approve the issuance of common stock in respect of the conversion of the Purchased Preferred Stock at least once in every six month period beginning on October 3, 2015. In addition, commencing on and following October 3, 2015, cumulative dividends on the Series C Preferred Stock will be payable quarterly at the rate per annum of 7.5% per share on the liquidation preference of the Series C Preferred Stock.

Required Vote

Under Section 312.03(c) of the NYSE Rules, the Company must obtain stockholder approval before an issuance of our common stock, or of securities convertible into or exercisable for our common stock, if our common stock issued or issuable upon conversion has voting power equal to or in excess of 20% of the voting power outstanding before the issuance or if the number of shares of our common stock issued or issuable is, or will be upon issuance, equal to or in excess of 20% of the number of shares of our common stock outstanding before the issuance, subject to certain exceptions not applicable to the Company.

Assuming that a quorum is present at the special meeting, pursuant to the NYSE Rules, approval of the Issuance Proposal requires the affirmative vote of the majority of the shares of the Company common stock (including those that would be issued if all of our outstanding Series A Preferred Stock had converted into shares of our common stock as of the Record Date) voting on the Issuance Proposal. Broker non-votes are not counted as “present” for purposes of determining who is entitled to vote on the Issuance Proposal, and therefore will have no effect on the outcome of the vote on the Issuance Proposal. Under applicable NYSE Rules, abstentions are counted as shares voted with respect to such proposal, and therefore, if you return your proxy card and “ABSTAIN” from voting, it will have the same effect as a vote against the Issuance Proposal.

Recommendation

The Board of Directors unanimously recommends that you vote “FOR” the Issuance Proposal.

AUTHORIZED SHARES PROPOSAL—APPROVAL OF THE AMENDMENT OF THE COMPANY CERTIFICATE TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMPANY COMMON STOCK

General

The Company's Board of Directors has unanimously approved and declared advisable, subject to stockholder approval, an amendment to the Company Certificate to increase the number of authorized shares of our common stock, \$0.001 par value, from 150,000,000 shares to 300,000,000 shares. As of July 9, 2015, 95,354,434 shares of common stock were issued and outstanding and a total of 29,027,359 shares of common stock were reserved for issuance in connection with the Series A Preferred Stock, warrants, stock options, restricted stock units and 4.50% Convertible Senior Notes. In addition, if the Issuance Proposal is approved, all of the Purchased Preferred Stock will automatically convert into 12,500,546 shares of common stock.

The proposed amendment would replace the first sentence of Article IV of the Company Certificate with the following:

The maximum number of shares that this Corporation shall be authorized to issue and have outstanding at any one time shall be Three Hundred Million (300,000,000) shares of common stock, par value \$0.001 per share, and Ten Million (10,000,000) shares of preferred stock, par value \$0.001 per share.

Purpose of Increasing Authorized Shares of Company Common Stock

The purpose of increasing the number of authorized shares of Company common stock is to provide the Company with sufficient common share capacity to allow the flexibility for (i) future equity financings to raise funds to support the intended growth of the Company's business, including through strategic acquisitions, and (ii) the issuance of Company common stock in acquisitions. The Company currently does not have specific plans to issue additional shares of common stock, other than the issuance of common stock contemplated by the Issuance Proposal and pursuant to the Company's equity incentive compensation plan.

Effect of Proposal

The Board of Directors does not believe that an increase in the number of authorized shares of Company common stock, without more, will have a significant impact on the market price of our common stock. The availability of significant authorized but unissued shares of Company common stock will, however, give the Company the flexibility to issue additional common equity and create dilution without further approval of the Company's stockholders. The Board of Directors believes that this additional flexibility is warranted, as it would facilitate execution of future financings and strategic acquisitions and thereby facilitate the growth of the Company's business.

We have not proposed the increase in the number of authorized shares of common stock with the intention of using the additional shares for anti-takeover purposes, although we could theoretically use the additional shares to make more difficult or to discourage an attempt to acquire control of the Company. We are not aware of any pending or threatened efforts to acquire control of the Company.

If the Authorized Shares Proposal is approved, then the amendment to the Company Certificate will become effective when we file a Certificate of Amendment with the Secretary of State of the State of Delaware. The additional shares of common stock authorized by the proposed amendment, if and when issued, would have the same rights and privileges as the shares of common stock currently authorized.

Required Vote

Assuming that a quorum is present at the special meeting, pursuant to the DGCL, approval of the Authorized Shares Proposal requires the affirmative vote of the majority of all our outstanding shares of common

[Table of Contents](#)

stock (including those that would be issued if all of our outstanding Series A Preferred Stock had converted into shares of our common stock as of the Record Date) entitled to vote as of the Record Date. Accordingly, abstentions and broker non-votes will have the same effect as a vote against the Authorized Shares Proposal.

Recommendation

The Board of Directors unanimously recommends that you vote “FOR” the Authorized Shares Proposal.

ADJOURNMENT PROPOSAL—APPROVAL OF THE ADJOURNMENT OR POSTPONEMENT OF THE SPECIAL MEETING

The Company's stockholders are being asked to consider and vote on a proposal to adjourn or postpone the special meeting, if necessary, to solicit additional proxies. The Board of Directors believes this proposal to be in the best interests of the Company's stockholders because it gives the Company flexibility to solicit the vote of additional holders of the Company's voting securities to vote on matters the Board of Directors deems important to the Company. If the Issuance Proposal is not approved within the required time frame, the Company will be obligated to pay additional dividends to the holders of Series C Preferred Stock. **The Board of Directors of the Company recommends that stockholders vote "FOR" the Proposal to adjourn or postpone the special meeting, if necessary, to solicit additional proxies.**

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information concerning the beneficial ownership of our voting securities as of July 9, 2015 by (i) each person who is known by us, based solely on a review of public filings, to be the beneficial owner of more than 5% of any class of our outstanding voting securities, (ii) each director, (iii) each named executive officer and (iv) all executive officers and directors as a group. None of the foregoing persons beneficially owned any shares of equity securities of our subsidiaries as of July 9, 2015.

Under applicable SEC rules, a person is deemed to be the “beneficial owner” of a voting security if such person has (or shares) either investment power or voting power over such security or has (or shares) the right to acquire such security within 60 days by any of a number of means, including upon the exercise of options or warrants or the conversion of convertible securities. A beneficial owner’s percentage ownership is determined by assuming that options, warrants and convertible securities that are held by the beneficial owner, but not those held by any other person, and which are exercisable or convertible within 60 days, have been exercised or converted.

Unless otherwise indicated, we believe that all persons named in the table below have sole voting and investment power with respect to all voting securities shown as being owned by them. Unless otherwise indicated, the address of each beneficial owner in the table below is care of XPO Logistics, Inc., Five Greenwich Office Park, Greenwich, Connecticut 06831.

As more specifically provided in our Bylaws, no business may be brought before an annual meeting of our stockholders unless it is specified in the notice of the annual meeting or is otherwise brought before the annual meeting by or at the direction of our Board or by a stockholder entitled to vote who has delivered proper notice to us not less than 90 days or more than 180 days prior to the earlier of the date of the annual meeting and the first anniversary of the preceding year's annual meeting. Accordingly, assuming that our 2016 annual meeting of stockholders is held on or after May 19, 2016, any stockholder proposal to be considered at the 2016 annual meeting, including nominations of persons for election to our Board, must be properly submitted to us not earlier than November 21, 2015 nor later than February 19, 2016. Stockholders interested in submitting a proposal for inclusion in our proxy materials for the 2016 annual meeting may do so by following the procedures set forth in Rule 14a-8 under the Exchange Act. To be eligible for inclusion in such proxy materials pursuant to such rule, stockholder proposals must be received by our Secretary not later than December 10, 2015.

CERTIFICATE OF DESIGNATION OF
SERIES C CONVERTIBLE PERPETUAL PREFERRED STOCK OF
XPO LOGISTICS, INC.

Pursuant to Section 151 of the
General Corporation Law of the State of Delaware

XPO Logistics, Inc., a Delaware corporation (the “Company”), certifies that pursuant to the authority contained in its Amended and Restated Certificate of Incorporation (as amended, the “Certificate of Incorporation”), and in accordance with the provisions of Section 151 of the General Corporation Law of the State of Delaware (the “DGCL”), the Board of Directors of the Company (the “Board of Directors”), on May 28, 2015, duly approved and adopted the following resolution, which resolution remains in full force and effect on the date hereof:

RESOLVED, that pursuant to the authority vested in the Board of Directors by the Certificate of Incorporation, the Board of Directors does hereby designate, create, authorize and provide for the issue of a series of the Company’s preferred stock, par value \$0.001 per share, with a liquidation preference of \$1,000 per share (the “Liquidation Preference”), which shall be designated as Series C Convertible Perpetual Preferred Stock (the “Series C Preferred Stock”), consisting of 562,525 shares, no shares of which have heretofore been issued by the Company, having the following powers, designations, preferences and relative, participating, optional and other special rights, and qualifications, limitations and restrictions thereof:

Certain defined terms used in this Certificate of Designation have the meanings assigned thereto in Section 13.

Section 1. Ranking. The Series C Preferred Stock shall rank, with respect to payment of dividends and distribution of assets upon the liquidation, winding-up or dissolution of the Company, (a) senior to the common stock, par value \$0.001 per share, of the Company (the “Common Stock”), whether now outstanding or hereafter issued, and to each other class or series of stock of the Company (including any series of preferred stock established after June 3, 2015 (the “Issue Date”) by the Board of Directors) the terms of which do not expressly provide that such class or series ranks senior to, or pari passu, with the Series C Preferred Stock as to payment of dividends and distribution of assets upon the liquidation, winding-up or dissolution of the Company (collectively referred to as “Junior Stock”); (b) pari passu with the Series A Preferred Stock and each other class or series of stock of the Company (including any series of preferred stock established after the Issue Date by the Board of Directors) the terms of which expressly provide that such class or series ranks pari passu with the Series C Preferred Stock as to payment of dividends and distribution of assets upon the liquidation, winding-up or dissolution of the Company (collectively referred to as “Parity Stock”); and (c) junior to each other class or series of stock of the Company (including any series of preferred stock established after the Issue Date by the Board of Directors) the terms of which expressly provide that such class or series ranks senior to the Series C Preferred Stock as to payment of dividends and distribution of assets upon the liquidation, winding-up or dissolution of the Company (collectively referred to as “Senior Stock”). The Company’s ability to issue Capital Stock that ranks pari passu with or senior to the Series C Preferred Stock shall be subject to the provisions of Section 4.

Section 2. Dividends. (a) Prior to the Meeting End Date. Prior to the Meeting End Date, Holders of shares of Series C Preferred Stock shall be entitled to participate equally and ratably with the holders of shares of Common Stock in all dividends on the shares of Common Stock as if immediately prior to each record date for the Common Stock, shares of Series C Preferred Stock then outstanding were converted into shares of Common Stock. Dividends payable pursuant to this Section 2(a) shall be payable on the same date that such dividends are payable to holders of shares of Common Stock, and no dividends shall be payable to holders of shares of Common Stock unless dividends contemplated by this Section 2(a) are also paid at the same time in respect of the Series C Preferred Stock. Each dividend shall be payable to the holders of record of shares of Series C Preferred Stock as they appear on the stock records of the Company at the close of business on the same day as the record date for the payment of dividends to the holders of shares of Common Stock.

Table of Contents

(b) Following the Meeting End Date. Commencing on and following the Meeting End Date, Holders of shares of Series C Preferred Stock shall be entitled to cumulative dividends on the Series C Preferred Stock payable quarterly, which dividend shall be declared by the Board of Directors or a duly authorized committee thereof, out of the assets of the Company legally available therefor, and thereafter, if so declared, be payable on the 15th calendar day (or the following Business Day if the 15th is not a Business Day) of January, April, July and October of each year (each such date being referred to herein as a “Dividend Payment Date”) at the rate per annum of 7.5% per share on the Liquidation Preference; provided that, in the event that on any Dividend Payment Date, the Company is not permitted to declare or pay such dividend or incur such liability either (x) as a matter of law or (y) under the terms of the Amended and Restated Revolving Loan Credit Agreement dated as of April 1, 2014, among the Company and certain of its subsidiaries, as borrowers, the lenders from time to time party thereto, Morgan Stanley Senior Funding, Inc., as agent, and the other parties thereto, as amended from time to time (the “Company Credit Agreement”), such dividend (a “Deferred Dividend”) shall not be declared by the Board of Directors, shall not be paid or payable on such Dividend Payment Date and no liability shall be incurred in respect thereof, and instead, such Deferred Dividend shall be declared, become payable and be paid and the liability in respect thereof be incurred on the first succeeding Dividend Payment Date on which the Company is not prohibited from declaring, paying and incurring the liability in respect of such Deferred Dividend (and, for the avoidance of doubt, such Deferred Dividend shall be payable in addition to, and not in lieu of, any dividend which would ordinarily be payable on such succeeding Dividend Payment Date). The amount of dividends payable for any other period that is shorter or longer than a full quarterly dividend period will be computed on the basis of a 360-day year consisting of twelve 30-day months.

Commencing on and following the Meeting End Date, in the event that dividends are paid on shares of Common Stock in any dividend period with respect to the Series C Preferred Stock, then a dividend shall be payable in respect of each share of Series C Preferred Stock for such period in an amount equal to the greater of (i) the amount otherwise payable in respect of such share of Series C Preferred Stock in accordance with the foregoing paragraph and (ii) the product of (A) the aggregate dividends payable per share of Common Stock in such dividend period times (B) the number of shares of Common Stock into which such share of Series C Preferred Stock is then convertible.

For purposes of this Section 2(b), a dividend period with respect to a Dividend Payment Date is the period commencing on the preceding Dividend Payment Date (or, if there is no preceding Dividend Payment Date, the Meeting End Date) and ending on the day immediately prior to the next Dividend Payment Date. Dividends payable on a Dividend Payment Date shall be payable to Holders of record on the later of (i) the close of business on the first calendar day (or the following Business Day if such first calendar day is not a Business Day) of the calendar month in which the applicable Dividend Payment Date falls and (ii) the close of business on the day on which the Board of Directors or a duly authorized committee thereof declares the dividend payable (each, a “Dividend Record Date”).

(c) Payment of Dividends. The Company may make each dividend payment on the Series C Preferred Stock either (i) in cash (or, if applicable, in the same form as such dividend is paid to holders of Common Stock) or (ii) at the Company’s option, by the issuance of additional shares of Series C Preferred Stock (including fractional shares) having an aggregate Liquidation Preference equal to the amount of the dividend to be paid (or, in the case of a non-cash distribution, having an aggregate Liquidation Preference equal to the fair market value of such dividend (as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a Board Resolution)). Each fractional share of Series C Preferred Stock outstanding shall be entitled to a ratably proportionate amount of all dividends accumulating with respect to each outstanding share of Series C Preferred Stock pursuant to Section 2, and all such dividends with respect to such outstanding fractional shares shall accumulate (whether or not declared) and shall be payable in the same manner and at such times as provided for in Section 2 with respect to dividends on each outstanding share of Series C Preferred Stock. No interest or sum of money in lieu of interest shall be payable in respect of any dividends or payment that may be in arrears.

(d) Payment Restrictions. No dividends or other distributions (other than a dividend or distribution payable solely in shares of Parity Stock or Junior Stock (in the case of Parity Stock) or Junior Stock (in the case

Table of Contents

of Junior Stock) and other than cash paid in lieu of fractional shares) may be declared, made or paid, or set apart for payment upon, any Parity Stock or Junior Stock, nor may any Parity Stock or Junior Stock be redeemed, purchased or otherwise acquired for any consideration (or any money paid to or made available for a sinking fund for the redemption of any Parity Stock or Junior Stock) by or on behalf of the Company (except by conversion into or exchange for shares of Parity Stock or Junior Stock (in the case of Parity Stock) or Junior Stock (in the case of Junior Stock)), unless all accrued and unpaid dividends shall have been or contemporaneously are declared and paid (in cash or in kind), or are declared and a sum of cash sufficient for the payment thereof is set apart for such payment, on the Series C Preferred Stock and any Parity Stock for all dividend payment periods terminating on or prior to the date of such declaration, payment, redemption, purchase or acquisition. Notwithstanding the foregoing, if full dividends have not been paid on the Series C Preferred Stock and any Parity Stock, dividends may be declared and paid on the Series C Preferred Stock and such Parity Stock so long as the dividends are declared and paid pro rata so that the aggregate amounts of dividends declared per share on, and the amounts of such dividends declared in cash or in kind, as applicable, per share on, the Series C Preferred Stock and such Parity Stock will in all cases bear to each other the same ratio that accrued and unpaid dividends per share on the shares of Series C Preferred Stock and such other Parity Stock bear to each other.

Section 3. Liquidation Preference. In the event of any voluntary or involuntary liquidation, dissolution or winding-up of the Company, each Holder shall be entitled to receive out of the assets of the Company available for distribution to stockholders of the Company, before any distribution of assets is made on the Common Stock or any other Junior Stock, an amount equal to the greater of (i) the aggregate Liquidation Preference attributable to shares of Series C Preferred Stock held by such Holder *plus* an amount equal to the sum of all accrued and unpaid cumulative dividends, and (ii) the product of (x) the amount per share that would have been payable upon such liquidation, dissolution or winding-up to the holders of shares of Common Stock or such other class or series of securities into which the Series C Preferred Stock is then convertible (assuming the conversion of each share of Series C Preferred Stock), multiplied by (y) the number of shares of Common Stock or such other securities into which the shares of Series C Preferred Stock held by such Holder are then convertible.

None of (i) the sale of all or substantially all of the property or business of the Company (other than in connection with the voluntary or involuntary liquidation, dissolution or winding-up of the Company), (ii) the merger, conversion or consolidation of the Company into or with any other Person or (iii) the merger, conversion or consolidation of any other Person into or with the Company, shall constitute a voluntary or involuntary liquidation, dissolution or winding-up of the Company for the purposes of the immediately preceding paragraph.

In the event the assets of the Company available for distribution to Holders upon any liquidation, winding-up or dissolution of the Company, whether voluntary or involuntary, shall be insufficient to pay in full all amounts to which such Holders are entitled pursuant to this Section 3, no such distribution shall be made on account of any shares of Parity Stock upon such liquidation, dissolution or winding-up unless proportionate distributable amounts shall be paid on account of the shares of Series C Preferred Stock, ratably, in proportion to the full distributable amounts for which Holders and holders of any Parity Stock are entitled upon such liquidation, winding-up or dissolution, with the amount allocable to each series of such stock determined on a pro rata basis of the aggregate liquidation preference of the outstanding shares of each series and accrued and unpaid dividends to which each series is entitled.

After the payment to the Holders of the full preferential amounts provided for above, the Holders as such shall have no right or claim to any of the remaining assets of the Company.

Section 4. Voting Rights. (a) The Holders of shares of Series C Preferred Stock will not have any voting rights, including the right to elect any directors, except (i) voting rights, if any, required by law, and (ii) voting rights, if any, described in this Section 4.

(b) So long as any Series C Preferred Stock is outstanding, in addition to any other vote of stockholders of the Company required under applicable law or the Certificate of Incorporation, the affirmative vote or consent of

Table of Contents

the Holders of at least a majority of the outstanding shares of Series C Preferred Stock, voting separately as a single class, will be required (i) for any amendment of the Certificate of Incorporation if the amendment would alter or change the powers, preferences, privileges or rights of the Holders so as to affect them adversely; provided that no such consent shall be required for the amendment of Section 7(a)(iv) of the Series A Preferred Stock to conform the anti-dilution calculations therein to Section 7(a)(iv) hereof, (ii) to issue, authorize or increase the authorized amount of, or issue or authorize any obligation or security convertible into or evidencing a right to purchase, any Parity Stock or Senior Stock, or (iii) to reclassify any authorized stock of the Company into any Parity Stock or Senior Stock, or any obligation or security convertible into or evidencing a right to purchase any Senior Stock. It is agreed that no such vote shall be required for the Company to issue, authorize or increase the authorized amount of, or issue or authorize any obligation or security convertible into or evidencing a right to purchase, any Junior Stock.

Section 5. Conversion.

(a) Mandatory Conversion. Effective as of the close of business on the Stockholder Approval Date, with respect to the shares of Series C Preferred Stock of a Holder, such Holder's shares of Series C Preferred Stock shall automatically, without any action of such Holder, convert into a number of shares of Common Stock equal to the aggregate Liquidation Preference of such shares of Series C Preferred Stock *divided by* the Conversion Price then in effect (such quotient, the "Conversion Shares").

(b) In addition, effective as of the close of business on the Stockholder Approval Date, a Holder of Series C Preferred Stock shall be entitled to receive, at the election of the Company, either (i) cash in an amount equal to the then unpaid Deferred Dividends in respect of shares of Series C Preferred Stock held by such Holder or (ii) a number of shares of Common Stock equal to the amount of any then unpaid Deferred Dividends in respect of shares of Series C Preferred Stock held by such Holder *divided by* the Conversion Price then in effect (such quotient, the "Dividend Shares").

No Holder may convert shares of Series C Preferred Stock other than pursuant to Section 5(a).

(c) Conversion Procedures.

(i) In the event of conversion pursuant to Section 5(a), the Company shall deliver as promptly as practicable written notice to each holder specifying: (A) the Stockholder Approval Date; (B) the number of shares of Common Stock to be issued in respect of each share of Series C Preferred Stock that is converted; (C) the place or places where certificates or evidence of book-entry notation for such shares of Series C Preferred Stock are to be surrendered for issuance of certificates or evidence of book-entry notation representing shares of Common Stock; and (D) that dividends on the shares to be converted will cease to accrue on such Stockholder Approval Date. Unless the shares of Common Stock issuable upon conversion are to be issued in the same name as the name in which such shares of Series C Preferred Stock are registered, each share surrendered for mandatory conversion shall be accompanied by instruments of transfer, in form satisfactory to the Company, duly executed by the holder thereof or such holder's duly authorized attorney and an amount sufficient to pay any transfer or similar tax in accordance with Section 14(f).

(ii) The conversion shall be deemed to have been effected at the close of business on the Stockholder Approval Date (as applicable). At such time: (A) the person in whose name or names any certificate or certificates for shares of Common Stock shall be issuable upon such mandatory conversion shall be deemed to have become the holder of record of the shares of Common Stock represented thereby at such time; (B) such shares of Series C Preferred Stock so converted shall no longer be deemed to be outstanding, and all rights of a holder with respect to such shares shall immediately terminate except the right to receive the Common Stock and other amounts payable pursuant to this Section 5 and the right to receive any dividend declared but not yet paid pursuant to Section 2.

(iii) Holders of shares of Series C Preferred Stock at the close of business on a Dividend Record Date shall be entitled to receive the dividend payable on such shares of Series C Preferred Stock on the corresponding Dividend Payment Date notwithstanding the mandatory conversion thereof following such Dividend Record Date and prior to such Dividend Payment Date. In such event, any such dividend that would otherwise be payable in the form of Series C Preferred Stock shall be payable to such Holder either (i) in cash or (ii) at the Company's option, in shares of Common Stock converted at the Conversion Price in effect as of the time of such mandatory conversion.

(iv) In connection with the mandatory conversion of shares of Series C Preferred Stock, no fractions of shares of Common Stock shall be issued, but in lieu thereof the Company shall pay an amount of cash in respect of such fractional interest equal to such fractional interest multiplied by the Market Value per share of Common Stock on the Stockholder Approval Date.

Section 6. Settlement upon Conversion. The Company shall satisfy its obligation to deliver Conversion Shares and, if applicable, Dividend Shares (or such other class or series of securities into which the Series C Preferred Stock is then convertible) upon conversion of Series C Preferred Stock by delivering to each Holder surrendering shares of Series C Preferred Stock for conversion a number of shares of Common Stock (or such other class or series of securities into which the Series C Preferred Stock is then convertible) equal to the Conversion Shares and, if applicable, Dividend Shares to which such Holder is entitled pursuant to Section 5 (provided that the Company will deliver cash in lieu of fractional shares), as soon as practicable after the third Trading Day (but in no event later than the fifth Business Day) following the Stockholder Approval Date. In the event the Company elects to pay cash pursuant to Section 5(b)(i), such cash payment shall be made on the same date.

Section 7. Anti-dilution Adjustments. (a) The Conversion Price shall be subject to the following adjustments from time to time:

(i) Stock Dividends. In case the Company shall pay or make a dividend or other distribution on the Common Stock in Common Stock, the Conversion Price, as in effect at the opening of business on the day following the date fixed for the determination of stockholders of the Company entitled to receive such dividend or other distribution, shall be adjusted by multiplying such Conversion Price by a fraction of which the numerator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination and the denominator shall be the sum of such number of shares and the total number of shares constituting such dividend or other distribution, such adjustment to become effective immediately after the opening of business on the day following the date fixed for such determination; provided, however, that no such adjustment to the Conversion Price shall be made if the Holders would be entitled to receive such dividend or other distribution pursuant to Section 2.

(ii) Stock Purchase Rights. In case the Company shall issue to all holders of its Common Stock options, warrants or other rights entitling them to subscribe for or purchase shares of Common Stock for a period expiring within 60 days from the date of issuance of such options, warrants or other rights at a price per share of Common Stock less than 95% of the Market Value on the date fixed for the determination of stockholders of the Company entitled to receive such options, warrants or other rights (other than pursuant to a dividend reinvestment, share purchase or similar plan), the Conversion Price in effect at the opening of business on the day following the date fixed for such determination shall be adjusted by multiplying such Conversion Price by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination *plus* the number of shares of Common Stock which the aggregate consideration expected to be received by the Company upon the exercise, conversion or exchange of such options, warrants or other rights (as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a Board Resolution) would purchase at such Market Value and the denominator of which shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination *plus* the number of shares of Common Stock so offered for subscription or purchase, either directly or indirectly, such adjustment to become effective immediately after the

opening of business on the day following the date fixed for such determination; provided, however, that no such adjustment to the Conversion Price shall be made if the Holders would be entitled to receive such options, warrants or other rights pursuant to Section 2; provided, further, however, that if any of the foregoing options, warrants or other rights are only exercisable upon the occurrence of a Triggering Event, then the Conversion Price will not be adjusted until such Triggering Event occurs.

(iii) Stock Splits, Reverse Splits and Combinations. In case outstanding shares of Common Stock shall be subdivided, split or reclassified into a greater number of shares of Common Stock, the Conversion Price in effect at the opening of business on the day following the day upon which such subdivision, split or reclassification becomes effective shall be proportionately reduced, and, conversely, in case outstanding shares of Common Stock shall be combined or reclassified into a smaller number of shares of Common Stock, the Conversion Price in effect at the opening of business on the day following the day upon which such combination or reclassification becomes effective shall be proportionately increased, such reduction or increase, as the case may be, to become effective immediately after the opening of business on the day following the day upon which such subdivision, split, reclassification or combination becomes effective.

(iv) Debt, Asset or Security Distributions. (A) In case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock evidences of its indebtedness, assets or securities (but excluding any dividend or distribution of options, warrants or other rights referred to in paragraph (ii) of this Section 7(a), any dividend or distribution paid exclusively in cash, any dividend or distribution of shares of Capital Stock of any class or series, or similar equity interests, of or relating to a Subsidiary or other business unit in the case of a Spin-off referred to in the next subparagraph, or any dividend or distribution referred to in paragraph (i) of this Section 7(a)), the Conversion Price shall be reduced by multiplying the Conversion Price in effect immediately prior to the close of business on the date fixed for the determination of stockholders of the Company entitled to receive such distribution by a fraction, the numerator of which shall be such Market Value minus the fair market value (as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a Board Resolution) of the portion of the assets or evidences of indebtedness so distributed applicable to one share of Common Stock and the denominator of which shall be the Market Value on the date fixed for such determination, such adjustment to become effective immediately prior to the opening of business on the day following the date fixed for the determination of stockholders of the Company entitled to receive such distribution. In any case in which this subparagraph (iv)(A) is applicable, subparagraph (iv)(B) of this Section 7(a) shall not be applicable. No adjustment to the Conversion Price shall be made if the Holders would be entitled to receive such dividend or distribution pursuant to Section 2.

(B) In the case of a Spin-off, the Conversion Price in effect immediately prior to the close of business on the date fixed for determination of stockholders of the Company entitled to receive such distribution shall be reduced by multiplying the Conversion Price by a fraction, the numerator of which shall be the Market Value *minus* the fair market value (as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a Board Resolution) of the shares (or fractions thereof) of Capital Stock or similar equity interests so distributed applicable to one share of Common Stock and the denominator of which shall be the Market Value. Any adjustment to the Conversion Price under this subparagraph (iv)(B) will occur on the date that is the earlier of (1) the tenth Trading Day from, and including, the effective date of the Spin-off and (2) the date of the Initial Public Offering of the securities being distributed in the Spin-off, if that Initial Public Offering is effected simultaneously with the Spin-off. No adjustment to the Conversion Price shall be made if the Holders would be entitled to receive such dividend or distribution pursuant to Section 2.

(v) Tender Offers. In the case that a tender or exchange offer made by the Company or any Subsidiary of the Company for all or any portion of the Common Stock shall expire and such tender or exchange offer (as amended through the expiration thereof) shall require the payment to stockholders of the Company (based on the acceptance (up to any maximum specified in the terms of the tender or exchange offer) of Purchased Shares) of aggregate consideration having a fair market value (as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a Board Resolution) per share of

Common Stock that exceeds the Closing Sale Price of the Common Stock on the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, then, immediately prior to the opening of business on the day after the date of the last time (the "Expiration Time") tenders or exchanges could have been made pursuant to such tender or exchange offer (as amended through the expiration thereof), the Conversion Price shall be reduced by multiplying the Conversion Price immediately prior to the close of business on the date of the Expiration Time by a fraction (A) the numerator of which shall be equal to the product of (x) the Market Value on the date of the Expiration Time and (y) the number of shares of Common Stock outstanding (including any tendered or exchanged shares) on the date of the Expiration Time, and (B) the denominator of which shall be equal to (x) the product of (I) the Market Value on the date of the Expiration Time and (II) the number of shares of Common Stock outstanding (including any tendered or exchanged shares) on the date of the Expiration Time less the number of all shares validly tendered or exchanged, not withdrawn and accepted for payment on the date of the Expiration Time (such validly tendered or exchanged shares, up to any such maximum, being referred to as the "Purchased Shares") plus (y) the amount of cash plus the fair market value (determined as aforesaid) of the aggregate consideration payable to stockholders of the Company pursuant to the tender or exchange offer (assuming the acceptance, up to any maximum specified in the terms of the tender or exchange offer, of Purchased Shares).

(b) De Minimis Adjustments. Notwithstanding anything herein to the contrary, no adjustment under this Section 7 need be made to the Conversion Price unless such adjustment would require an increase or decrease of at least 1.0% of the Conversion Price then in effect. Any lesser adjustment shall be carried forward and shall be made at the time of and together with the next subsequent adjustment, if any, which, together with any adjustment or adjustments so carried forward, shall result in an increase or decrease of at least 1.0% of such Conversion Price. No adjustment under this Section 7 shall be made if such adjustment will result in a Conversion Price that is less than the par value of the Common Stock.

(c) Tax-Related Adjustments. The Company may make such reductions in the Conversion Price, in addition to those required by this Section 7, as the Board of Directors considers advisable in order to avoid or diminish any income tax to any holders of shares of Common Stock resulting from any dividend or distribution of stock or issuance of rights or warrants to purchase or subscribe for stock or from any event treated as such for income tax purposes. In the event the Company elects to make such a reduction in the Conversion Price, the Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder if and to the extent that such laws and regulations are applicable in connection with the reduction in the Conversion Price.

(d) Stockholder Rights Plans. Upon conversion of the Series C Preferred Stock, to the extent that the Holders receive Common Stock, such Holders shall receive, in addition to the shares of Common Stock, the rights issued under any future stockholder rights plan the Company may establish whether or not such rights are separated from the Common Stock prior to conversion. A distribution of rights pursuant to any stockholder rights plan will not result in an adjustment to the Conversion Price pursuant to Section 7(a)(ii) or 7(a)(iv), provided that the Company has provided for the Holders to receive such rights upon conversion.

(e) Notice of Adjustment. Whenever the Conversion Price is adjusted in accordance with this Section 7, the Company shall (i) compute the Conversion Price in accordance with this Section 7 and prepare and transmit to the Transfer Agent an Officer's Certificate setting forth the Conversion Price, the method of calculation thereof in reasonable detail, and the facts requiring such adjustment and upon which such adjustment is based and (ii) as soon as practicable following the occurrence of an event that requires an adjustment to the Conversion Price pursuant to this Section 7 (or if the Company is not aware of such occurrence, as soon as practicable after becoming so aware), the Company or, at the request and expense of the Company, the Transfer Agent shall provide a written notice to the Holders of the occurrence of such event and a statement setting forth in reasonable detail the method by which the adjustment to the Conversion Price was determined and setting forth the adjusted Conversion Price.

Table of Contents

(f) Reversal of Adjustment. If the Company shall take a record of the holders of its Common Stock for the purpose of entitling them to receive a dividend or other distribution, and shall thereafter (and before the dividend or distribution has been paid or delivered to stockholders) legally abandon its plan to pay or deliver such dividend or distribution, then thereafter no adjustment in the Conversion Price then in effect shall be required by reason of the taking of such record.

(g) Exceptions to Adjustment. The applicable Conversion Price shall not be adjusted:

(i) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of Common Stock under any such plan;

(ii) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by the Company or any of its Subsidiaries;

(iii) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security outstanding as of the Issue Date;

(iv) upon the issuance of any shares of Common Stock or any other security of the Company in connection with acquisitions of assets or securities of another Person, including with respect to any merger or consolidation or similar transaction;

(v) for a change in the par value of the Common Stock; or

(vi) for accrued and unpaid dividends on the Series A Preferred Stock or the Series C Preferred Stock.

Section 8. Recapitalizations, Reclassifications and Changes in the Company's Stock. In the event of any reclassification of outstanding shares of Common Stock (other than a change in par value, or from par value to no par value, or from no par value to par value), or any consolidation or merger of the Company with or into another Person (other than with a Subsidiary of the Company) or any merger of another Person with or into the Company (other than a consolidation or merger in which the Company is the resulting or surviving Person and that does not result in any reclassification or change of outstanding Common Stock), or any sale or other disposition to another Person of all or substantially all of the assets of the Company (computed on a consolidated basis) (any of the foregoing, a "Transaction"), upon conversion of its shares of Series C Preferred Stock, a Holder will be entitled to receive the kind and amount of securities (of the Company or another issuer), cash and other property receivable upon such Transaction by a holder of the number of shares of Common Stock into which such shares of Series C Preferred Stock were convertible immediately prior to such Transaction, after giving effect to any adjustment event or, in the event holders of Common Stock have the opportunity to elect the form of consideration to be received in any Transaction, the weighted average of the forms and amounts of consideration received by the holders of the Common Stock. In the event that at any time, as a result of an adjustment made pursuant to this Certificate of Designation, the Holders shall become entitled upon conversion to any securities other than, or in addition to, shares of Common Stock, thereafter the number or amount of such other securities so receivable upon conversion shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the Common Stock set forth in this Certificate of Designation.

Section 9. Consolidation, Merger and Sale of Assets. (a) The Company, without the consent of the Holders, may consolidate with or merge into any other Person or convey, transfer or lease all or substantially all its assets to any Person or may permit any Person to consolidate with or merge into, or transfer or lease all or substantially all its properties to, the Company (any of the foregoing, "Reorganization"); provided, however, that (i) the shares

of Series C Preferred Stock will become the kind and amount of securities of such successor, transferee or lessee, cash and other property receivable by a holder of the number of shares of Common Stock into which such shares of Series C Preferred Stock were convertible immediately prior to such Reorganization; and (ii) the Company delivers to the Transfer Agent an Officer's Certificate and an Opinion of Counsel, acceptable to the Transfer Agent, stating that such Reorganization complies with this Certificate of Designation.

(b) Upon any consolidation by the Company with, or merger by the Company into, any other Person or any conveyance, transfer or lease of all or substantially all the assets of the Company as described in Section 9(a), the successor resulting from such consolidation or into which the Company is merged or the transferee or lessee to which such conveyance, transfer or lease is made, will succeed to, and be substituted for, and may exercise every right and power of, the Company under the shares of Series C Preferred Stock, and thereafter, except in the case of a lease, the predecessor (if still in existence) will be released from its obligations and covenants with respect to the Series C Preferred Stock.

Section 10. Notices. (a) When the Company is required, pursuant to this Certificate of Designation, to give notice to Holders by issuing a press release, rather than directly to Holders, the Company shall do so in a public medium that is customary for such press release; provided, however, that in such cases, publication of a press release through the Dow Jones News Service shall be considered sufficient to comply with such notice obligation.

(b) When the Company is required, pursuant to this Certificate of Designation, to give notice to Holders without specifying the method of giving such notice, the Company shall do so by sending notice via first class mail or by overnight courier to the Holders of record as of a reasonably current date.

Section 11. Transfer of Securities. (a) The shares of Series C Preferred Stock and the shares of Common Stock issuable upon conversion of the Series C Preferred Stock (collectively, the "Securities") have not been registered under the Securities Act or any other applicable securities laws and may not be offered or sold except in compliance with the registration requirements of the Securities Act and any other applicable securities laws, or pursuant to an exemption from registration under the Securities Act and any other applicable securities laws, or in a transaction not subject to such laws. The Common Stock issuable upon conversion of the Series C Preferred Stock will have the benefit of certain registration rights under the Securities Act pursuant to an Investment Agreement entered into by the Company and the Holders on May 29, 2015, a copy of which may be obtained from the Company by writing to it at XPO Logistics, Inc., Five Greenwich Office Park, Greenwich, CT 06831, Attention: Secretary of the Board of Directors.

(b) If shares of Series C Preferred Stock in certificated form are delivered upon the transfer, exchange or replacement of shares of Series C Preferred Stock bearing the Restricted Stock Legend, or if a request is made to remove such Restricted Stock Legend on shares of Series C Preferred Stock, the shares of Series C Preferred Stock so issued shall bear the Restricted Stock Legend and the Restricted Stock Legend shall not be removed unless there is delivered to the Company and the Transfer Agent such satisfactory evidence, which may include an Opinion of Counsel licensed to practice law in the State of New York, as may be reasonably required by the Company, that such shares of Series C Preferred Stock are not "restricted securities" within the meaning of Rule 144 under the Securities Act or may be transferred without any restrictions or conditions under that Rule. Upon provision of such satisfactory evidence, the Transfer Agent, at the direction of the Company, shall countersign and deliver shares of Series C Preferred Stock that do not bear the Restricted Stock Legend.

(c) Shares of Common Stock issued upon a conversion of the shares of Series C Preferred Stock bearing the Restricted Stock Legend, prior to the first anniversary of the Issue Date, shall be in global form and bear a restricted common stock legend that corresponds to the Restricted Stock Legend (the "Restricted Common Stock Legend").

(d) The Company will refuse to register any transfer of Securities that is not made in accordance with the provisions of the Restricted Stock Legend or the Restricted Common Stock Legend, as applicable, provided that the provisions of this Section 11(d) shall not be applicable to any Security that does not bear any Restricted Stock Legend or any Restricted Common Stock Legend.

Section 12. Certain Tax Matters. The Company and the Holders acknowledge and agree that it is intended that the Series C Preferred Stock not constitute “preferred stock” within the meaning of Section 305 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder, and that neither the Company nor the Holders shall treat the Series C Preferred Stock as such. The Company shall be entitled to deduct and withhold from any payment of cash, shares of Series C Preferred Stock, shares of Common Stock or other consideration deliverable to a Holder of a share of Series C Preferred Stock, any amounts required to be deducted or withheld under applicable U.S. federal, state, local or foreign tax laws with respect to such payment or issuance. In the event the Company paid withholding taxes to a governmental authority in respect of any amount treated as a distribution on a share of Series C Preferred Stock, the Company shall be entitled to deduct any such taxes from any subsequent payment of cash, shares of Series C Preferred Stock, shares of Common Stock or other consideration otherwise deliverable to a Holder of a share of Series C Preferred Stock.

Section 14. Miscellaneous.

(a) The Liquidation Preference and any dividend rate set forth herein each shall be subject to equitable adjustment whenever there shall occur a stock split, combination, reclassification or other similar event involving the Series C Preferred Stock. Such adjustments shall be determined in good faith by the Board of Directors (and such determination shall be conclusive) and submitted by the Board of Directors to the Transfer Agent.

(b) For the purposes of Section 7, the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock.

(c) If the Company shall take any action affecting the Common Stock, other than any action described in Section 7, that in the opinion of the Board of Directors would materially adversely affect the conversion rights of the Holders, then the Conversion Price for the Series C Preferred Stock may be adjusted, to the extent permitted by law, in such manner, and at such time, as the Board of Directors may determine to be equitable in the circumstances.

(d) The Company covenants that it will at all times reserve and keep available, free from preemptive rights, out of the aggregate of its authorized but unissued shares of Common Stock for the purpose of effecting conversion of the Series C Preferred Stock, the full number of shares of Common Stock deliverable upon the conversion of all outstanding shares of Series C Preferred Stock not theretofore converted. For purposes of this Section 14(d), the number of shares of Common Stock that shall be deliverable upon the conversion of all outstanding shares of Series C Preferred Stock shall be computed as if at the time of computation all such outstanding shares were held by a single Holder.

(e) The Company covenants that any shares of Common Stock issued upon conversion of the Series C Preferred Stock shall be duly and validly issued and fully paid and nonassessable, free from preemptive rights and free from all taxes, liens, charges and security interests with respect to the issuance thereof, except for transfer restrictions imposed by applicable securities laws and the Investment Agreement.

(f) The Company shall pay all transfer, stamp and other similar taxes due with respect to the issuance or delivery of shares of Common Stock or other securities or property upon conversion of the Series C Preferred Stock; provided, however, that the Company shall not be required to pay any tax that may be payable with respect to any transfer involved in the issuance or delivery of shares of Common Stock or other securities or property in a name other than that of the Holder of the Series C Preferred Stock to be converted, and the Holder shall be responsible for any such tax.

(g) The Series C Preferred Stock is not entitled to any preemptive or subscription rights in respect of any securities of the Company.

(h) Whenever possible, each provision hereof shall be interpreted in a manner as to be effective and valid under applicable law, but if any provision hereof is held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating or otherwise adversely affecting the remaining provisions hereof. If a court of competent jurisdiction should determine that a provision hereof would be valid or enforceable if a period of time were extended or shortened or a particular percentage were increased or decreased, then such court may make such change as shall be necessary to render the provision in question effective and valid under applicable law.

(i) Series C Preferred Stock may be issued in fractions of a share which shall entitle the Holder, in proportion to such Holder's fractional shares, to exercise voting rights, receive dividends, participate in distributions and have the benefit of all other rights of Holders of Series C Preferred Stock.

(j) Subject to applicable escheat laws, any monies set aside by the Company in respect of any payment with respect to shares of the Series C Preferred Stock, or dividends thereon, and unclaimed at the end of two

Any interest accumulated on funds so deposited shall be paid to the Company from time to time.

(k) Except as may otherwise be required by law, the shares of Series C Preferred Stock shall not have any voting powers, preferences and relative, participating, optional or other special rights, other than those specifically set forth in this Certificate of Designation or the Certificate of Incorporation.

(l) The headings of the various subdivisions hereof are for convenience of reference only and shall not affect the interpretation of any of the provisions hereof.

(m) If any of the voting powers, preferences and relative, participating, optional and other special rights of the Series C Preferred Stock and qualifications, limitations and restrictions thereof set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other voting powers, preferences and relative, participating, optional and other special rights of Series C Preferred Stock and qualifications, limitations and restrictions thereof set forth herein which can be given effect without the invalid, unlawful or unenforceable voting powers, preferences and relative, participating, optional and other special rights of Series C Preferred Stock and qualifications, limitations and restrictions thereof shall, nevertheless, remain in full force and effect, and no voting powers, preferences and relative, participating, optional or other special rights of Series C Preferred Stock and qualifications, limitations and restrictions thereof herein set forth shall be deemed dependent upon any other such voting powers, preferences and relative, participating, optional or other special rights of Series C Preferred Stock and qualifications, limitations and restrictions thereof unless so expressed herein.

(n) Shares of Series C Preferred Stock that (i) have not been issued on or before the Issue Date or (ii) have been issued and reacquired in any manner, including shares of Series C Preferred Stock purchased or converted, shall (upon compliance with any applicable provisions of the laws of Delaware) have the status of authorized but unissued shares of preferred stock of the Company undesignated as to series and may be designated or redesignated and issued or reissued, as the case may be, as part of any series of preferred stock of the Company; provided that any issuance of such shares as Series C Preferred Stock must be in compliance with the terms hereof.

(o) If any of the Series C Preferred Stock certificates shall be mutilated, lost, stolen or destroyed, the Company shall issue, in exchange and in substitution for and upon cancellation of the mutilated Series C Preferred Stock certificate, or in lieu of and substitution for the Series C Preferred Stock certificate lost, stolen or destroyed, a new Series C Preferred Stock certificate of like tenor and representing an equivalent amount of shares of Series C Preferred Stock, but only upon receipt of evidence of such loss, theft or destruction of such Series C Preferred Stock certificate and indemnity, if requested, reasonably satisfactory to the Company and the Transfer Agent.
