**PROXY STATEMENT/ANNUAL MEETING OF STOCKHOLDERS OF
SEGMENTZ, INC.**

April 29, 2005

INFORMATION CONCERNING SOLICITATION AND VOTING

General

This Proxy Statement (the "Proxy Statement") and the accompanying form of proxy are being furnished to the Stockholders (the "Stockholders") of Segmentz, Inc. (the "Company") in connection with the solicitation of proxies by the Board of the Company (the "Board") from holders of its outstanding common stock (the "Common Stock"), for use at the Annual Meeting of Stockholders of the Company (together with any adjournments or postponements thereof, the "Meeting") to be held at the American Stock Exchange, 86 Trinity Place, New York, NY 10006, on June 17, 2005 at 9:30 a.m., local time. This Proxy Statement, the accompanying form of proxy, and the Annual Report to Stockholders are expected to be mailed to Stockholders of the Company on or about May 9, 2005.

Solicitation

The expense of this solicitation will be borne by the Company. Solicitation will be primarily by use of the mails. Executive officers and other employees of the Company may solicit proxies, without additional compensation, personally and by telephone and other means of communication. The Company will also reimburse brokers and other persons holding Common Stock in their names or in the names of their nominees for their reasonable expenses in forwarding proxies and proxy materials to beneficial owners.

Voting Rights and Outstanding Shares

Stockholders of record as of the close of business on April 29, 2005 (the "Record Date") will be entitled to vote at the Meeting. Each share of outstanding Common Stock is entitled to one vote. As of the Record Date, there were 26,705,034 shares of Common Stock outstanding.

The presence at the Meeting, in person or by proxy, of a majority of the outstanding shares of Common Stock as of the Record Date will constitute a quorum for transacting business at the Meeting. Abstentions and broker non-votes are counted for purposes of determining the number of shares represented at the Meeting. Broker non-votes occur when a broker nominee, holding shares in street name for the beneficial owner thereof, has not received voting instructions from the beneficial owner and does not have discretionary authority to vote.

The election of directors requires the plurality vote of the shares of Common Stock present in person or represented by proxy and voting, therefore abstentions, broker non-votes or the failure to either return a proxy or to attend the Meeting will have no affect on the election of directors. The ratification of Pender Newkirk & Company as our independent auditors for the year ending December 31, 2005 requires the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Meeting, therefore abstentions, broker non-votes or the failure to either return a proxy or to attend the Meeting will have no affect on the ratification of Pender Newkirk & Company. The approval and ratification of an amendment and restatement to our Certificate of Incorporation increasing our authorized shares of common stock, par value \$0.001 per share ("Common Stock"), from 40,000,000 shares to 100,000,000 shares, and eliminating certain other provisions requires the affirmative vote of a majority of the shares of Common Stock issued and outstanding, therefore, abstentions, broker non-votes or the failure to either return a proxy or to attend the Meeting will have an adverse affect on the approval of the proposal. The approval and ratification of an amendment to our 2001 Stock Option Plan increasing the number of shares of our Common Stock reserved for issuance thereunder from 600,000 shares to 5,600,000 shares requires the affirmative vote of a majority of the

shares of Common Stock present in person or represented by proxy at the Meeting, therefore abstentions, broker non-votes or the failure to either return a proxy or to attend the Meeting will have no affect on the approval of the proposal.

Revocability of Proxies

The shares of Common Stock represented by proxy will be voted as instructed if received in time for the Meeting. If no instructions are indicated, such shares will be voted in favor of (FOR) (i) each nominee for election as a director specified herein; (ii) the ratification of the appointment of Pender Newkirk & Company, as independent auditors for the Company for the year ending December 31, 2005; (iii) the approval and ratification of an amendment and restatement to our Certificate of Incorporation increasing our authorized shares of common stock, par value \$0.001 per share (“Common Stock”), from 40,000,000 shares to 100,000,000 shares, and eliminating certain other provisions; (iv) the approval and ratification of an amendment to our 2001 Stock Option Plan increasing the number of shares of our Common Stock reserved for issuance thereunder from 600,000 shares to 5,600,000 shares; and (v) in the discretion of the proxy holder as to any other matter that may properly come before the Meeting or any adjournment(s) or postponement(s) thereof. Any person signing and mailing the proxy may, nevertheless, revoke it at any time before it is exercised by written notice to the Company (Attention: Chief Financial Officer, 18302 Highwoods Preserve Parkway, Tampa, Florida 33647), or by attending in person and voting at the Meeting. Attendance at the Meeting, however, will not itself constitute the revocation of a proxy.

PROPOSAL 1

The nominees of the Board are set forth below. All of the current members of the Board have been nominated to continue to serve as directors of the Company. In the event any nominee is unable or declines to serve as a director at the time of the Meeting, the proxies will be voted for any nominee who shall be designated by the Board to fill the vacancy. If additional persons are nominated for election as directors, then the proxy holders intend to vote all proxies received by them for the nominees listed below unless instructed otherwise. As of the date of this Proxy Statement, the Company is not aware of any nominee who is unable or who will decline to serve as a director, if elected.

- Setting the compensation level of our Chief Executive Officer and all of our other executive officers based on an evaluation of each executive's performance in light of the goals and objectives of our executive compensation plans.

The Nominating Committee

In 2005, the Board established a nominating committee (the "Nominating Committee"), which is currently comprised of Jay Taylor, Calvin R. Whitehead and Jim Martell. The members of the Nominating Committee are independent as defined in Section 121(A) of the American Stock Exchange Listing Standards. During 2004, the Nominating Committee did not meet. The Nominating Committee convenes when deemed appropriate or necessary by its members. The Nominating Committee performs the following functions:

- Recommending individuals qualified to serve as directors of the Company to the Board of Directors for the approval by a majority of the independent directors;
- Recommending to the Board of Directors, directors to serve on committees of the Board of Directors;
- Advising the Board of Directors with respect to matters relating to the composition, procedures and committees of the Board of Directors;
- Developing and recommending to the Board of Directors a set of corporate governance principles applicable to the Company and overseeing corporate governance matters generally; and
- Overseeing the evaluation of individual directors and the Board of Directors as a whole.

The Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information:

- The name of the stockholder and evidence of the person's ownership of our common stock, including the number of shares owned and the length of time of ownership; and
- The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board of Directors.

The stockholder recommendation and information described above must be addressed to our Chief Financial Officer at 18302 Highwoods Preserve Parkway, Tampa, Florida 33647, and must be received by our Chief Financial Officer not less than 120 days prior to the anniversary date of our most recent annual meeting of stockholders. If, however, we did not hold an annual meeting the previous year, or if the date of the annual meeting to which the recommendation applies has been changed by more than 30 days from the anniversary date of our most recent annual meeting of stockholders, then the recommendation and information must be received not later than the close of business on the 10th day following the day on which notice of the date of the meeting is mailed or public disclosure of the date of the meeting is made, whichever occurs first.

All director candidates recommended by the Nominating Committee must be consistent with the Board of Directors' criteria for selecting directors. These criteria include the possession of such knowledge, experience, skills, expertise and diversity so as to enhance the Board of Directors' ability to manage and direct the affairs and

business of the Company, including, when applicable, to enhance the ability of committees of the Board of Directors to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or AMEX listing requirement. In addition, the Nominating Committee examines, among other things, a candidate's ability to make independent analytical inquiries, understanding of our business environment, potential conflicts of interest, independence from management and the Company, integrity and willingness to devote adequate time and effort to responsibilities associated with serving on the Board of Directors.

The Nominating Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons, meeting the criteria described above, who have had a change in circumstances that might make them available to serve on the Board of Directors—for example, retirement as a senior executive of a public company. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nominating Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating Committee requests information from the candidate, reviews the person's accomplishments and qualifications, including in light of any other candidates that the Committee might be considering, and conducts one or more interviews with the candidate. In certain instances, Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board of Directors may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Stockholder Communication with the Board

The Board of Directors has established a process to receive communications from stockholders. Stockholders may contact any member (or all members) of the Board of Directors (or the non-management directors as a group) or any committee of the Board of Directors by mail. To communicate with the Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent c/o Chief Financial Officer, 18302 Highwoods Preserve Parkway, Tampa, Florida 33647.

All communications received as set forth in the preceding paragraph will be opened by the office of our Chief Financial Officer for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board of Directors or any group or committee of directors, the Chief Financial Officer's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence or e-mail is addressed.

Beneficial Ownership of Management and Certain Beneficial Owners

The following table sets forth information known to us, as of March 31, 2005, relating to the beneficial ownership of shares of common stock by:

- each person who is known by us to be the beneficial owner of more than 5% of the Company's outstanding common stock;
- each director;
- each executive officer; and
- all executive officers and directors as a group.

Under securities laws, a person is considered to be the beneficial owner of securities owned by him (or certain persons whose ownership is attributed to him) or securities that can be acquired by him within 60 days, including upon the exercise of options, warrants or convertible securities. The Company determines a beneficial owner's percentage ownership by assuming that options, warrants and convertible securities that are held by the beneficial owner, but not those held by any other person, and which are exercisable within 60 days, have been exercised or converted.

Except with respect to beneficial ownership of shares attributed to the named person, the following table does not give effect to the issuance of shares in the event outstanding common stock purchase warrants are exercised.

The Company believes that all persons named in the table have sole voting and investment power with respect to all shares of Common Stock shown as being owned by them. Unless otherwise indicated, the address of each beneficial owner in the table set forth below is care of Segmentz, Inc., 18302 Highwoods Preserve Parkway, Suite 100 Tampa, Florida 33647.

Certain Relationships and Related Transactions

The Company utilizes the services of tractor owner-operators that are employed by Bryant Plastics, a stockholder in the Company. The Company's agreement with Bryant Plastics is identical to its agreement with any other independent owner-operators, and Bryant receives payment terms and percentages that are identical to other agreements with unrelated entities. The Company believes these terms to be equitable and fair and believes that these transactions are treated in the normal course of business as if Bryant had no relationship with the Company other than that of an owner-operator.

In October 2003, the Company entered into an agreement to sell several owned vehicles to Bryant Plastics, Inc., resulting in a gain on sale of \$76,000. In this transaction, Bryant exchanged 90,000 shares of stock at \$1.40 per share in exchange for clear title to several tractors that had been purchased by Segmentz previously.

In July 2003, the Company consented to utilize "best efforts" to retire all preferred shares by fiscal year end. In concert with this agreement, the Company's officers entered into negotiations with the CEO of the Company that resulted in the purchase of 414,923 shares of preferred series A stock for the price of \$.58 per share, a total of \$240,655. Because the purchase price of these shares had been set at \$1.00 at the time of their issuance resulting from them having been converted from debt at face value, this purchase resulted in a gain for the Company in the amount of \$174,268.

In August of 2004, the Company acquired Express-1, Inc. and agreed to purchase the building located at 429 Post Road, Buchanan, MI 49107 for \$850,000 in cash or through the assumption of the current mortgage and cash. The Company also agreed to rent the building on a month-to-month basis, for monthly rental payments of ten thousand (\$10,000) dollars on a triple net basis until the purchase is completed. For the year ended December 31, 2004 rent in the amount of approximately \$50,000 was paid as rent for the building.

In February 2003, the Company entered into a note with Sports Funding, Inc. for a term of eighteen months. The note was for \$250,000, at an interest rate of 12% per annum plus an origination fee of \$5,000 and 250,000 three-year warrants at \$1.01 per share. In addition to all assets of the Company, tangible or intangible,

collateralizing the loan, the Chief Executive Officer and the Chief Financial Officer personally pledged a security interest in all the Segmentz, Inc. common stock and preferred stock owned by them. Interest was payable monthly with the entire principle balance being due at the end of eighteen months.

In April 2003, the above agreement was amended to increase the borrowed amount by \$100,000. The terms of the loan were the same as above with an additional 100,000 three-year warrants issued at a price of \$1.15 per share. All of the warrants were callable by the Company if the last sale price of the common stock is at least 166.6% of the then current exercise price for 10 consecutive trading days.

In consideration for accelerating the due date from August 2004 to February 2004, Sports Funding forgave approximately \$98,800 of the outstanding principle. For the year ended December 31, 2003 the gain on the forgiveness of debt was recognized as other income. Subsequent to Segmentz, Inc. paying off the debt, the President of Sports Funding, Inc. was nominated and accepted a position on the Board of Directors.

Securities Authorized for Issuance Under Equity Compensation Plans

The following table sets forth information, as of December 31, 2004, with respect to the Company's stock option plan under which common stock is authorized for issuance, as well as other compensatory options granted outside of the Company's stock option plan.

| Plan Category | (a) Number of securities to be issued upon exercise of outstanding options, warrants and rights | (b) Weighted-average exercise price of outstanding options, warrants and rights | (c) Number of securities remaining available for future issuance under equity compensation plan (excluding securities reflected in column (a)) |
|---|--|---|--|
| Equity compensation plans approved by security holders | 600,000 | \$ 1.32 | 0 |
| Equity compensation not related to plans approved by security holders | 325,000 | \$ 1.66 | 0 |
| Total | 925,000 | \$ 1.44 | 0 |

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities and Exchange Act of 1934 (the "Exchange Act") requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission ("SEC") and any securities exchanges on which the equities of the Company trade, initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish the Company copies of all Section 16(a) reports they file.

Based solely on the Company's review of copies of forms filed pursuant to Section 16(a) of the Securities Exchange Act of 1934, as amended, and written representations from certain reporting persons, the Company believes that during 2004 all reporting persons timely complied with all filing requirements applicable to them.

Board Recommendation

For the reasons outlined above, the Board recommends a vote FOR each nominee standing for election to the Board of Directors.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has selected Pender Newkirk to serve as the Company's independent accountants for the year ending December 31, 2005. Representatives of Pender Newkirk are expected to be present at the Annual Meeting and will have an opportunity to make a statement and to respond to appropriate questions. Pender Newkirk served as the Company's independent accountants for the year ended December 31, 2004.

Audit Fees

The aggregate fees billed for professional services rendered by Pender Newkirk for the audit of the Company's annual financial statements and the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q were \$120,000 for the year ended December 31, 2004, and were \$69,000 for the year ended December 31, 2003. The foregoing fees were incurred with respect to professional services that are normally provided by our auditors. In connection with statutory and regulatory filings or engagements, such services are rendered for the audit of the Company's consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and services.

Audit-Related Fees

The Company did not incur any fees for professional services rendered by Pender Newkirk for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the caption "Audit Fees" above for the year ended December 31, 2004, or for the year ended December 31, 2003.

Tax Fees

The aggregate fees billed for professional services rendered by Pender Newkirk for tax compliance, tax advice, and tax planning were \$24,000 for the year ended December 31, 2004, and were \$6,000 for the year ended December 31, 2003. The foregoing fees were incurred with respect to professional services provided in connection with tax compliance, advice and planning. These services include assistance regarding federal, state and international tax compliance, assistance with tax reporting requirements and audit compliance, and mergers and acquisitions tax compliance.

All Other Fees

The Company did not incur any fees, in addition to those set forth above, for other services rendered by Pender Newkirk to the Company for the year ended December 31, 2004.

Miscellaneous

The Audit Committee reviews, and in its sole discretion pre-approves, our independent auditors' annual engagement letter including proposed fees and all audit and non-audit services provided by the independent auditors. Accordingly, all services described under "Audit Fees," "Audit-Related Fees," "Tax Fees" and "All Other Fees" were pre-approved by our Audit Committee. The Audit Committee may not engage the independent auditors to perform the non-audit services proscribed by law or regulation. The Audit Committee may delegate pre-approval authority to a member of the Audit Committee, and authority delegated in such manner must be reported at the next scheduled meeting of the Audit Committee.

Board Recommendation

The Board recommends that the Stockholders vote FOR the ratification of the appointment of Pender Newkirk as the Company's independent accounts for the year ending December 31, 2005.

PROPOSAL 3
AMENDMENT AND RESTATEMENT OF OUR
CERTIFICATE OF INCORPORATION

Amendments set forth in the Amendment

The Amendment and Restatement of our Certificate of Incorporation (the “Amendment”), a copy of which is attached hereto as Appendix B, if approved and ratified by our stockholders, and upon filing with the Secretary of State of the State of Delaware, will effectuate the following amendments to our current Certificate of Incorporation:

Increase in Authorized Common Stock

Pursuant to the terms of the Amendment the shares of Common Stock we are authorized to issue and have outstanding at any time shall be increased from 40,000,000 shares to 100,000,000 shares.

The Company proposes to utilize the additional shares of authorized Common Stock provided for in the Amendment, from time to time, as the need may arise, in connection with future opportunities for expanding the Company’s business through investments or acquisitions, equity financing, management incentive plans, employee benefit plans, and for other purposes. Currently we have no specific intentions or plans for the increase in authorized shares.

Authorized but unissued shares of the Common Stock may be issued at such times, for such purposes and for such consideration as the Board of Directors may determine to be appropriate without further authority from the Company’s stockholders, except as otherwise required by applicable corporate law or stock exchange policies.

The Amendment will affect all of our stockholders uniformly and will not affect any stockholder’s percentage ownership interests in us or proportionate voting power unless and until additional shares of Common Stock authorized through the Amendment are issued.

The Amendment will have the following effect upon the shares of our Common Stock outstanding and the number of authorized and unissued shares of our Common Stock:

- The number of shares of our Common Stock owned by each stockholder will remain the same;
- The number of shares of Common Stock we are authorized to issue will increase to 100,000,000 shares;
- The par value of the Common Stock will remain \$0.001 per share;
- The stated capital on our balance sheet attributable to the Common Stock will remain the same, as will the additional paid-in capital account.

Deletion of Preferred Stock Designations

Our current Certificate of Incorporation contains designations of preferences of Series A Preferred Stock, Series B Preferred Stock, Series C Preferred Stock, Series A-1 Preferred Stock, and Series B-1 Preferred Stock, which constitute all of our preferred stock designations. All such designations have been deleted from the Amendment and upon the filing of the Amendment will no longer be contained within our Certificate of Incorporation. As of the date hereof we do not have any shares of preferred stock issued and outstanding. All shares of our preferred stock that were at one time issued and outstanding have been redeemed, cancelled, or converted to other securities. The DGCL contemplates the deletion of preferred stock designations through the filing of amended and restated certificates of incorporation. We believe that the deletion of such designations from our Certificate of Incorporation will simplify our Certificate of Incorporation and make it more concise.

Deletion of Provisions Setting Forth Name of Incorporator and Initial Director

Our current Certificate of Incorporation contains provisions setting forth the name of our Incorporator as well as the name of our Initial Director. All such references to our Incorporator and Initial Director have been deleted from the Amendment and upon the filing of the Amendment will no longer be contained within our Certificate of Incorporation. The foregoing provisions are no longer relevant to the Company, and the deletion of such provisions from our Certificate of Incorporation will simplify our Certificate of Incorporation and make it more concise. The DGCL contemplates the deletion of such provisions through the filing of amended and restated certificates of incorporation.

Deletion of Provision that Directors need not be Elected by Written Ballot

Our current Certificate of Incorporation contains a provision which provides that our directors need not be elected by written ballot. All such references have been deleted from the Amendment and upon the filing of the Amendment will no longer be contained within our Certificate of Incorporation. Our directors may be elected without a written ballot whether or not said provision is contained in our Certificate of Incorporation, and therefore said provision need not be included in our Certificate of Incorporation. We believe the deletion of such provision from our Certificate of Incorporation will simplify our Certificate of Incorporation and make it more concise.

Deletion of the Provision Electing Not to be Governed by DGCL Section 203

Our current Certificate of Incorporation contains a provision providing that we have elected not to be governed by Section 203 of the DGCL. Section 203 of the DGCL provides generally that, unless exempted by one or more of several “outs” set forth in the Section, interested stockholders (generally holders of 15% or more of the corporation’s voting stock) are precluded from engaging in “business combinations” with their corporation for three years after becoming interested stockholders. Business combinations are self-dealing transactions of a type which increases the beneficial interest of the interested stockholder in the corporation’s outstanding stock or assets disproportionately in relation to other stockholders. The archetypical business combination is the freeze-out merger, although the scope of the coverage provided by the Section extends to a broad spectrum of transactions having the potential of a similar economic effect (e.g. mergers, purchases of assets, leases, mortgages or other pledges, transfers or other dispositions of property, issuances of stock, etc.). The three-year period is intended to preclude offers which depend upon quick access to corporate assets for financing.

The election to not be governed by DGCL Section 203 has been deleted from the Amendment and upon the filing of the Amendment will no longer be contained within our Certificate of Incorporation. Therefore, we will, upon the filing of the Amendment, be governed by DGCL Section 203.

We believe that it is in the best interests of the Company to be governed by DGCL Section 203 because the Section regulates the conduct of tender offerors once they obtain control of a corporation. In so doing, the Section discourages the making of “abusive tender offers,” i.e. hostile tender offers which bypass management, are underfinanced and arguably underpriced, and are dependent for viability upon quick utilization of the Company’s assets for financing purposes. Through the application of Section 203 we hope to require would-be tender offerors to make only offers that are well-financed and fairly priced, thereby protecting the long term interests of our stockholders and employees.

Manner of Effecting the Amendment

The Amendment will be effected by the filing of the Amendment and Restatement of the Certificate of Incorporation with the Secretary of the State of Delaware. The Amendment will become effective on the Effective Date.

No Rights of Appraisal

Under the Delaware Corporation Law, our dissenting stockholders are not entitled to appraisal rights with respect to the Amendment, and we will not independently provide our stockholders with any such right.

Certain Federal Income Tax Consequences

We believe that the federal income tax consequences of the Amendment to holders of our Common Stock will be as follows:

- No gain or loss will be recognized by a stockholder upon the Effective Date of the Amendment.
- The aggregate tax basis of shares of our Common Stock will not be affected by the Amendment.
- The holding period of shares of our Common Stock after the Amendment will remain the same as the holding period prior to the Amendment.

Our beliefs regarding the tax consequence of the Amendment are not binding upon the Internal Revenue Service or the courts, and there can be no assurance that the Internal Revenue Service or the courts will accept the positions expressed above.

This summary does not purport to be complete and does not address the tax consequences to holders that are subject to special tax rules, such as banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, nonresident foreign individuals, broker-dealers and tax exempt entities.

The state and local tax consequences of the Proposals may vary significantly as to each stockholder, depending upon the state in which he or she resides.

The foregoing summary is included for general information only. Accordingly, stockholders are urged to consult their own tax advisors with respect to the Federal, State and local tax consequences of the Proposals.

Board Recommendation

For the reasons outlined above, the Board recommends a vote FOR the proposal to approve and ratify an amendment and restatement to our Certificate of Incorporation increasing our authorized shares of Common Stock from 40,000,000 shares to 100,000,000 shares, and eliminating certain other provisions.

PROPOSAL 4
AMENDMENT TO OUR 2001 STOCK OPTION PLAN
TO INCREASE THE SHARES OF COMMON STOCK AVAILABLE FOR ISSUANCE
THEREUNDER FROM 600,000 SHARES TO 5,600,000 SHARES

The Company has proposed that the Company's 2001 Stock Option Plan be amended such that the number of shares of Common Stock available for issuance under the 2001 Stock Option Plan be increased from 600,000 shares to 5,600,000 shares.

The 2001 Stock Option Plan was approved by the Company's stockholders on November 1, 2001. The 2001 Stock Option Plan provides for the issuance of stock options and the grant of restricted stock awards. The Company has in the past, and if this proposal is approved by the stockholders, expects to continue in the future, to issue awards under the 2001 Stock Option Plan to attract qualified individuals to become employees (management and otherwise) and non-employee directors of the Company, and to ensure the retention of said individuals.

Currently, all 600,000 shares of Common Stock available for issuance under the 2001 Stock Option Plan have been issued.

Board Recommendation

For the reasons outlined above, the Board recommends a vote FOR the proposal to approve and ratify an amendment to our 2001 Stock Option Plan increasing the number of shares of our Common Stock reserved for issuance thereunder from 600,000 shares to 5,600,000 shares.

OTHER MATTERS

The Board does not know of any other matters that may come before the Meeting. If any other matters are properly presented to the Meeting, it is the intention of the persons named in the accompanying proxy to vote, or otherwise to act, in accordance with their best judgment on such matters.

STOCKHOLDER PROPOSALS

Proposals of Stockholders intended to be presented at the Company's Meeting of Stockholders for the year ending December 31, 2004, must be received by the Company no later than April 17, 2005, in order to be included in the proxy statement and the proxy relating to that Annual Meeting.

Whether or not you plan to attend, you are urged to complete, sign and return the enclosed proxy in the accompanying envelope. A prompt response will greatly facilitate arrangements for the Meeting, and your cooperation will be appreciated. Stockholders who attend the Meeting may vote their shares personally even though they have sent in their proxies.

By Order of the Board,

Jim Martell
Chairman of the Board

**ARTICLE VIII
INDEMNIFICATION**

The Corporation shall indemnify any person who was, is or is threatened to be made a party to a proceeding (as hereinafter defined) by reason of the fact that he or she (i) is or was a director or officer of the Corporation or (ii) while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan, or other enterprise, to the fullest extent permitted under the DGCL, as the same exists or may hereafter be amended. Such right shall be a contract right and as such shall run to the benefit of any director or officer who is elected and accepts the position of director or officer of the Corporation or elects to continue to serve as a director or officer of the Corporation while this Article VIII is in effect. Any repeal or amendment of this Article VIII shall be prospective only and shall not limit the rights of any such director or officer of the obligations of the Corporation with respect to any claim arising from or related to the services of such director or officer in any of the foregoing capacities prior to any such repeal or amendment to this Article VIII. Such right shall include the right to be paid by the Corporation expenses incurred in defending any such proceeding in advance of its final disposition to the maximum extent permitted under the DGCL, as the same exists or may hereafter be amended. If a claim for indemnification or advancement of expenses hereunder is not paid in full by the Corporation within sixty (60) days after a written claim has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim, and if successful in whole or in part, the claimant shall also be entitled to be paid the expenses of prosecuting such claim. Neither the failure of the Corporation (including its board of directors or any committee thereof, independent legal counsel, or stockholders) to have made its determination prior to the commencement of such action that indemnification of, or advancement of costs of defense to, the claimant is permissible in the circumstances nor as actual determination by the Corporation (including its board of directors or any committee thereof, independent legal counsel, or stockholders) that such indemnification or advancement is not permissible shall be a defense to the action or create a presumption that such indemnification or advancement is not permissible. In the event of the death of any person having a right of indemnification under the foregoing provisions, such right shall inure to the benefit of his or her heirs, executors, administrators and personal representatives. The rights conferred above shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, bylaw, resolution of stockholders or directors, agreement, or otherwise.

Without limiting the generality of the foregoing, to the extent permitted by then applicable law, the grant of mandatory indemnification pursuant to this Article VIII shall extend to proceedings involving the negligence of such person.

The Corporation may additionally indemnify any employee or agent of the Corporation to the fullest extent permitted by law.

As used herein, the term "proceeding" means any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitrative or investigative, any appeal in such action, suit or proceeding, and any inquiry or investigation that could lead to such action, suit or proceeding.

The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under Section 145 of the DGCL.

ARTICLE IX LIABILITY OF DIRECTORS

A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper benefit. Any repeal or amendment of this Article IX by the stockholders of the Corporation shall be prospective only, and shall not adversely affect any limitation on the personal liability of a director of the Corporation arising from an act or omission occurring prior to the time of such repeal or amendment. In addition to the circumstances in which a director of the Corporation is not personally liable as set forth in the foregoing provisions of this Article IX, a director shall not be liable to the Corporation or its stockholders to such further extent as permitted by any law hereafter enacted, including, without limitation, any subsequent amendment to the DGCL.

partnership, association, firm, trust, joint venture, political subdivision, or instrumentality) or other organization in which one or more of its directors, officers or stockholders are directors, officers or stockholders, or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the board or committee which authorizes the contract or transaction, or solely because his, her or their votes are counted for such purpose, if: (i) the material facts as to his or her relationship or interest and as to the contract or transaction are disclosed or are known to the board of directors or the committee, and the board of directors or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or (ii) the material facts as to his or her relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders; or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified by the board of directors, a committee thereof, or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the board of directors of a committee which authorizes the contract or transaction.
